MUMMERS' PARADE FEATURE TONIGHT

[Continued From First Page.]

Bazar the Mummer's parade will be held and in the line there will be many women. Every person will be masked and funny costumes will feature the parade. Women have taken a prominent part in every department of the celebration and their appearance to-night will only show in a small way how interested they are in making the whole affair a big success. Following the parade the Enola P. R. R. Y. M. C. A. band will give a concert on the platform which has been erected for the speakers at the dedicatory exercises to-morrow.

Big Parade To-morrow

The biggest events of the celebration will come to-morrow when the centennial parade will be seen. Immediately following this spectacle the new firehouse will be dedicated and thereafter the structure will shelter West Fairview's firemen, who heretofore have claimed an old shed as their firehouse.

HEADACHE FROM A COLD? LISTEN!

"Pape's Cold Compound" ends severe colds or grippe in few hours.

Your cold will break and all grippe misery end after taking a dose of "Pape's Cold Compound" every two hours until three doses are taken. It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dizziness, fever, sore throat, sneezing soreness and stiffness.

Don't stay stuffed-up! Quit blowing and sniffing! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Accept no substitute. -Adv.

U. Smith, the donors. For a time it was thought the new building would be without a modern alarm but a short while ago Mr. and Mrs. Smith came forward and offered to have a bell placed in the tower. In appreciation of their gift the firemen have refrained from tapping the bell to hear its tones until Mr. and Mrs. Smith have been given an opportunity to release its clapper. When the donors pull the rope to-morrow afternoon the tones of the bell will be heard in West Fairview for the first time.

Other Bells to Ring

One minute after the firehouse bell has sounded the bells in the bellfry of the United Brethren church, the Methodist church, St. Mark's Lutheran church and the West Fairview schoolhouse will be rung for five minutes marking the one hundredth anniversary of the birth of West Fairview. During this period all citizens are urged to stand with bowed heads as a mark of respect to those who have died here.

The parade which is scheduled to start while the bells are ringing, will be made up of three divisions. At the head of the line will be Albert J. Shaull, chairman of the building committee and chief marshal. Next will be Ira E. Shaull, architect and builder of the new firehouse, as aid to the chief marshal, A. B. Hoke, president of the Good Will Fire Company and aid to the fire companies, J. Harper Lantz, treasurer of the fire company and aid to the automobile division. Next in line will be a number of automobiles with the following: Auto No. 1, Col. H. C. Demming, ex-Congressman Arthur R. Rupley, State Senator Franklin C. Martin and the Rev. A. G. Wolf, speakers; auto No. 2, Good Will Fire Company officers, John Sierier, vice president, Abraham Hoover, secretary, Dr. S. I. Cadwallader, corresponding secretary; H. B. McAfee, former president; auto No. 3, building committee and contractors, Enoch Curry, Harry Shaull, Elmer Erb, Jacob Bowers, carpenter contractor; S. B. Leach, cement contractor; auto No. 4, West Fairview borough council, Charles Disney, chief burgess, John Miller, Charles Witmer and F. D. Luse, councilmen. H. W. Neldie, treasurer; West Fairview school board, George Keefe, L. R. Spong, L. S. Hatfield and Harry Koenhaver.

The second division will be John C. Kiedler, chief of the Harrisburg Fire Department, members of the Washington Hose Company, No. 4, of Harrisburg, with their motor apparatus and the Commonwealth band, the Enola Fire Company, P. R. R. Y. M. C. A. band, of Enola, and fire companies from West Fairview, Worm-

leysburg, Lemoyne, Camp Hill, New Cumberland, the Midway Fire Company and the Darktown Fire brigade.

Old People in Line

Following the fire companies will be the school children of West Fairview. They will be dressed in picturesque costumes and will have a float. The school children will be followed by the oldest residents of the town in automobiles and these persons have been invited to ride in the line:

HE IS COMING! WORLD TRAVELER

[Continued From First Page.]

thrown at the feet of Harrisburg people. Wonderful motion pictures and beautifully colored views will be used by the traveler in whirling his screen tourists abroad. The places of scenic and historic interest, the great cities with their roar of life, the quaint little out-of-the-way places where the casual tourist seldom gets—these will be the things shown by Roberson.

World's Greatest Traveler

For let it be understood that the traveler comes rightly by the title of "the world's greatest traveler." For twenty-five years he has done nothing

but travel. He has crossed the Atlantic ocean an even seventy-five times, been completely around the world four times, crossed every continent and almost every island; he has spent months under the sweltering heat of the tropics and was once lost on the bleak ice fields of the frozen north.

And everywhere he has been he has had his camera working; capturing and preserving for his American audiences the things he has seen. About everything worth seeing under the sun has been photographed and reproduced in accurate color. It is one of the charms of a Roberson travelogue that the pictures stand out vividly and realistically, making it seem that those in front of his screen are actually going on the tour, seeing with their own eyes the things Roberson has seen.

In spite of the money Roberson has spent in getting up his travelogues, he is of the unusual opportunity presented Harrisburg people to see the interesting places in the world, at the admission prices for the travelogues, as the result of the arrangement with the Telegraph will be unprecedented. Ten cents is all it need cost anyone to attend a travelogue. Here is the plan:

Telegraph Coupon

The Telegraph will carry on its first page each day of the series a coupon which if presented at the box office on the night of the travelogue will entitle the bearer to admission. The coupon will be published first on Wednesday and each day thereafter of the engagement, the coupon from the afternoon's Telegraph being good only for that night.

In addition will be a certain part of the house which will be reserved at 25 cents, these seats being the most choice. For them no coupon is required. To accommodate all who wish to buy tickets in advance, a sale will be opened Monday at the Telegraph office and continued each day thereafter.

The Telegraph is taking no share of the receipts in the series, merely presenting Mr. Roberson and his travelogues as a good will feature—a high class attraction at a cost within reach of everyone.

Further details, including the subjects, of this remarkable travel-festival will be published from day to day in the Telegraph. Watch for it and prepare to go 'round the world with Roberson.

TO BUILD \$200 GARAGE

A permit to build a \$200 single-story automobile garage in the rear of 171 North street was granted to-day to C. W. Riffe.
