# Here's the Store's Important News For To-morrow---And Its Invitation

## The Autumn Millinery Season Is On In Earnest

Our Department of Millinery is earnestly striving to fulfill your wishes in the quickest possible time. Upholding our reputation to be first in showing new ideas, we're calling particular attention to the large varieties and new creations in trimmings. Many original and becoming suggestions are offered by our trimmed-to-order exponents. The Untrimmed Hat Section shows every accepted shape and shade of the season. Trimmed Millinery of carefully chosen styles and the ever-wanted exclusiveness are here for your judgment. Moderate prices consistent with qualities.

### Women's Suits at the Lower Prices Are Plentiful And Better Style Could Not Be Had

If it is the idea that higher prices necessarily follow good style a visit to this department at an early moment is suggested. Women who pay \$40 for suits pay for quality and workmanship.

We've never shown as many striking creations before, and note, if you will, the popularity of fabrics and shades.

Poplins, Gabardines, Whipcords, Serges and Mixtures. Field mouse, navy, African brown, new blue, Russian green.

Fur is the dominant note for trimming. Many of the suits are plain in style, enriched by bands of fur at collar, cuffs and perhaps at bottom of coat or skirt.

A pleasing selection at **\$12.50, \$15, \$16.50, \$17.50, \$19.50 to \$25**

### Bowman's Coats Have Many Interesting Features That Are Also New

You'll like the extreme lengths that seem to be favored by ultra-fashionables, and decidedly smart are new mixtures in choice blending of colors.

Models with slight graceful folds hanging from shoulders; others flaring from belt.

Fur is used to a considerable extent on collars and cuffs, and very often just a quaint slot pocket or some other novelty gives the coat an individual smartness.

The showing at **\$12.50—\$13.50—\$15.00—\$16.50—\$18.50**—and upward is unusually complete with a versatility of styles.
