Perfect Health is Every Woman's Birthright.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances. At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth that keeps the entire female system perfectly regulated and in excellent condition.

Scientists discover the cause of bleeding gums and loose teeth

The old idea that bleeding gums and loose teeth (symptoms of pyorrhea) are due to little pieces of tartar or bone under the gums, has been exploded. Scientists have made the astounding discovery that this disease is caused by a germ which is found in every human mouth. This germ is the most active and destructive enemy of your teeth. Are you protecting them against it? You can ward off its constant attack and escape the dread results of the disease by using the proper corrective and preventive treatment in your daily toilet.
