REV. RAINEY GOES TO HUNTINGDON

Rector of Trinity Episcopal Church Resigns; Farewell Sermon Next Sunday

THE REV. S. H. RAINEY. After a pastorate of but fourteen months, the Rev. S. H. Rainey, rector of Trinity Episcopal church, one of the borough's most fashionable parishes, has resigned to accept the rectorate of the Episcopal church at Huntingdon, Pa.

A graduate of Brown University, the Rev. Mr. Rainey came to Steelton from Culpomont, Northumberland county, where he built up a thriving parish. During his short stay here the Rev. Mr. Rainey has taken an active part in the work of the Ministerial Association of Steelton and vicinity and has been interested in public affairs.

Municipal League Honors Memory of Luther Kelker

REPUBLICANS TO RALLY THURSDAY

Meeting to Be Held in Benton Hall; Politics Quiet in Borough

With election only a week away politics in Steelton are unusually quiet. None of the excitement which attended the closing days of the primary campaign are now evident.

That this is due to the overwhelmingly big Republican vote to cast next Tuesday is undisputed. So disgusted were the Democrats—if there are any in Steelton—with the effects of the National administration on the works here that they took no interest in their party affairs.

To let Steelton folks meet the county candidates and see what kind of candidates they will vote for Tuesday, the Republicans will hold a rally in the Electric Light Building, 49 North Front street, Thursday evening.

BEGIN ON SALTS AT FIRST SIGN OF KIDNEY PAIN

We eat too much meat, which clogs kidneys, then the back hurts.

Says glass of Salts flushes kidneys and ends bladder irritation.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists have say they sell lots of Jad Salts to folks who believe in better kidney trouble while it is only trouble.

TO END CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or head noises go to your druggist and get 10 tablets of Farnin (double strength) and add to it 1/2 pint of hot water and 4 ounces of unfiltered sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus dripping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial.

COFFEE CLAIMS ITS VICTIMS BY HUNDREDS

Prominent Nerve Specialist Says Coffee Drinking Has Produced a New Disease—Chronic Caffeinism

"There is a distinct type of cases," says Dr. Wm. M. Leszynsky, consulting neurologist to the Manhattan Eye and Ear Hospital, "frequent among the poor class of people, but by no means confined to them, of functional nervous disorder (caused by coffee drinking), to which the elastic term 'neurasthenia' or 'chronic caffeinism' in its broadest significance may be aptly applied."

"In cases of neurasthenia, inquire into coffee drinking," adds Dr. Otto Juettner.

"I have seen hundreds of victims of this disease," continues Dr. Leszynsky, "among commercial travelers, brokers, merchants, actors, writers and men connected with the news department of the daily papers."

"They usually complain of the following symptoms, which are more or less pronounced: General headache and nervousness, apprehensions, in regard to some unknown impending trouble, mental depression and irritability, insomnia or restless sleep, bad dreams and sudden starting in sleep, awakening in profuse perspiration, general tremulousness and diminished muscular power, cardiac palpitations, loss of appetite and constipation."

NOTE.—It is a fact worthy of note that the American food-drink—Instant Postum—has come widely into popular use and favor with the recognition of the harmfulness of coffee. Postum has a flavor resembling Old Java, but is entirely free from caffeine or any other harmful ingredient.—Advertisement.

Does it mention the fact that \$7,000 was appropriated for the construction of the new Royal firehouse? It does not.

"As to the water department, is mention made of the improvements or their cost, or of the amount that was earned, or of the fact that a deficit of \$1,631 which lay over from the old board had to be paid? It does not. Then, too, it seems to have forgotten the new street lighting. As for the health department, it's true that it may have cost more, but the growth of the city required this; furthermore, the bacteriological department was placed under this bureau during the present administration.
