Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.

HOW HE QUIT TOBACCO

This veteran, S. B. Lamphere, was addicted to the excessive use of tobacco for many years. He wanted to quit but needed something to help him. He learned of a free book that tells about tobacco habit and how to conquer it quickly, easily and safely. In a recent letter he writes: "I have no desire for tobacco any more. I feel like a new man."
Any one desiring a copy of this book on tobacco habit, smoking and chewing, can get it free, postpaid, by writing to Edward J. Woods, 92 G. Station, New York City. You will be surprised and pleased. Look for quieter nerves, stronger heart, better digestion, improved eyesight, increased vigor, longer life and other advantages if you quit poisoning yourself.

Good Advice For Thin People
"I'd certainly give most anything to be able to gain a few pounds and stay that way," declare many thin men and women. Such a result is usually not impossible despite past failures. Most thin people are victims of malnutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood much of the fat and flesh producing elements stay in the intestines until they pass from the body as waste.
To correct this condition and to produce a healthy, normal amount of fat the flesh-making food elements must be so prepared in the digestive processes that the blood will accept and distribute them throughout the body. There is a preparation called Sargol, which works on this basis and which is sold by nearly every druggist on a
