## M'CLAIN FIRM IN BOARD'S RULINGS

Says Law Must Be Complied With or Cases Will Not Be Heard by Him at All

Lieutenant-Governor Frank B. McClain last evening declared that lawyers who do not come before the State Board of Pardons with their cases fully prepared and who do not file all the papers required need not expect much consideration at the hands of the board. The Lieutenant-Governor found that W. S. Harris, a West Chester lawyer who has frequently appeared with numerous cases, had failed to meet all requirements. He said that if he did it again the Lieutenant-Governor would not sit in the cases.

The application of John Joseph Keane, Philadelphia, serving twenty

years for kidnaping, was held under advisement after an interchange of remarks between his counsel and members of the board, during which Lieutenant-Governor McClain said that the Legislature some years ago had considered a bill making kidnaping a capital offense, and that it was the offense for which pardon was asked which had helped create sentiment for laws making very severe penalties.

The board refused to recommend for commutation James Reilly, Philadelphia, and R. S. Pennington, Delaware, two murderers whose cases had attracted much attention.

The board also refused to grant a pardon to William L. Cate, Fayette, granted commutation of death sentence in 1909, and continued the similar application of George Lee, Philadelphia, committed in 1911.

Action was taken by the board in cases as follows: Recommended—Edward Campbell, Allegheny, assault with intent to rob; James G. Keller, Lehigh, burglary; William Pennoza, Montgomery, forgery; James H. O'Drain, Philadelphia, larceny.

Refused—James Reilly, Philadelphia, murder; Roland S. Pennington, Delaware, murder; Raymond McCormick, Philadelphia, larceny; Hiram Shultz, Columbia, larceny; John G.

Stigers, Chester, second degree murder; Frank Flori, Allegheny, felonious assault and battery; William L. Cate, Fayette, murder, committed; William S. Lear, Chester, arson; Steve Manning, Philadelphia, manslaughter; Michael Fazio, Philadelphia, assault; Harry Jacobs, George Jacobs, Perry, larceny, etc.; Ellis Lightcap, Chester, assault and battery.

## Catarrh a Blood Disease S.S.S. Drives It From Your System

Because Catarrh affects the nose and throat, causing sores in the nostrils, stoppage of air-passages and gathering in the throat, it has been common practice to treat Catarrh by lotions, washes and sprays applied to these parts. This mode of treatment is entirely wrong. It cannot give permanent relief, and it is liable to irritate and aggravate the trouble. Catarrh cannot be trifled with. If allowed to run on it will disease the bronchial tubes, settle on the lungs, the stomach—indeed it is a very serious disease. Don't treat it locally. The fact that it causes headaches is proof that it is caused by impure and diseased blood. The one treatment that has proved effective in the treatment of Catarrh is S. S. S. It is the greatest blood purifier and blood tonic known. It relieves the cause of Catarrh by the process of renourishing the blood, renewing its strength and vigor, giving new life to the red blood corpuscles, and stimulating the flow so that it has the vitality to throw off the poison and germs from the system. It is literally a blood bath. You quickly feel results. Headaches disappear, the gathering in the throat stops, the nostrils heal—before you hardly realize it you are well. S. S. S. is a natural blood tonic and has proven effective in the treatment of all blood affections. Eczema, tetter, rash, scrofula. Get S. S. S. at your druggist's. If you need special advice write the S. S. S. Co., Atlanta, Ga.
