### Kidney and Bladder **Trouble Causes** Great Distress

It gives me great pleasure to recommend Dr. Kilmer's Swamp-Root to any occult of distressing symptoms. While shedding over I would be stricken with such a pain that it was impossible on account of distressing symptoms. While bending over I would be stricken with such a pain that it was impossible for me to straighten up. Mr. Henry, one of our leading druggists, advised Dr. Kilmer's Swamp-Root: although I never had any faith in patent medicines, as a last resort I purchased adollar bottle of Swamp-Root. I noticed a decided change and after using two bottles I was completely cured. It seemed remarkable that I should be cured so quickly after being ill so long. But since this took place nearly two years ago, I have never been troubled and would high. ing ill so long. But since this took place nearly two years ago, I have never been troubled and would highly advise any one suffering from the same trouble to at least give Swamp-Root a trial and I think the results will be the same as mine. Yours very truly

### FEED THE CHILDREN On Properly Selected Food. It Pays Big Dividends

If parents will give just a little intelligent thought to the feeding of their children the difference in the health of the little folks will pay, many times over, for the small trouble.

A mother writes: "Our children are all so much better and stronger than they ever were before we made a change in the character of the food. We have quit using/potatoes three times a day with coffee and so much meat.

"Now we give the little folks some fruit, either fresh, stewed, or canned, some Grape-Nuts with cream, occacionally some soft-boiled eggs, and some Postum for breakfast and supper. Then for dinner they have some meat and vegetables.

"It would be hard to fully described."

meat and vegetables.

"It would be hard to fully describe the change in the children, they have grown so sturdy and strong, and we attribute this change to the food elements that. I understand, exist in Grape-Nuts and Postum.

"A short time ago my baby was teething and had a great deal of stomment and bowel trouble. Nothing seemed to agree with him until I tried Grape-Nuts softened and mixed with rich milk and he improved rapidly and got sturdy and well."
