GARDEN WINNERS RECEIVE PRIZES
Plan to Make Harrisburg "The Flower City" of the United States
All the winners in the Civic Club's competition for the Telegraph's garden prizes received their checks to-

day, with the following letter from the president of the Telegraph Printing Company:
We are pleased to know that your name is among those awarded one of the Telegraph prizes by the Civic Club for interest in the garden work of the city during the past summer.
Nothing will do so much to enrich the lives of the people of this community and make their home environment more comfortable as the planting and cultivation of flowers. It is gratifying to know that you are taking such an interest in this work.
I am hoping that with the com-

ing of next summer the people of the city will co-operate in making Harrisburg "the flower city" of the United States. It can easily be done. All that is needed is a joining of hands so that every window ledge and every front porch may be covered with flowers.
Let me congratulate you upon your success in this competition.
Those who received prizes, ranging from \$25 to \$5, were the following:
Miss Edith H. Brightbill, 623 Emerald street.
Miss Grace H. Speece, 620 Geary street.
H. M. Hoffman, 310 North Second

street.
J. R. Coleman, 1058 South Cameron street.
Mrs. Charles R. Henery, 2045 Derry street.
Mrs. J. C. Michael, 550 Camp street.
Mrs. Margaret Foulk, 2039 Penn street.
Mrs. Vera Long, 14 North Eighteenth street.
Mrs. L. Duffan, 1114 Currant street.
Bethany Chapel, Cameron and Cumberland streets.
Samuel C. Light, 206 Christian street.
Mrs. J. Alexander, 423 Hummel

street.
To Work For Next Year
Through the co-operation of the Civic Club and all interested it is hoped that next Spring there may be a general planting of flowers in porch and window boxes throughout the city. The general plan contemplates an organization of subcommittees for every district of the city, these districts being arranged in such manner as to make the canvass of the property owners comparatively easy. Mrs. William Henderson, president of the Civic Club, and all the other officials of the or-

ganization are interested in the movement. It is expected that the important work of organization will be carried forward during the winter so that the boxes may be made and the necessary planting started in time for the opening of Spring.
