

IF BACK HURTS TAKE SALTS TO FLUSH KIDNEYS

Says Backache is sure sign you have been eating too much meat.

Uric Acid in meat clogs Kidneys and irritates the bladder.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally...

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here...

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean...

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Advertisement.

(Signed) Miss Margaret Murphy, 3 Clinton St., Albany, N. Y. At this season of the year, those who tire easily, are run down, below normal weight, thin and pale, should take a pure and nourishing tonic flesh-builder, such as Father John's Medicine, because it is free from dangerous drugs and actually rebuilds wasted tissue.
