WOMEN RECEIVE EMPHATIC DENIAL

The women of New York, Massachusetts and Pennsylvania asked for the vote yesterday and received an emphatic denial. These three great Atlantic seaboard States have joined New Jersey in withholding from women the suffrage they enjoy in some of the Western States. An indicated majority against a woman suffrage amendment to the constitution in New York, based on returns from more than two-thirds of the State, is 210,000. Under Law, Five Years Must Elapse Before Question Can Be Brought Up

The State indicated that the vote in Pennsylvania was against suffrage by a majority of 60,000. New Jersey refused the vote to women on October 19 by a majority of 56,000. Mrs. Harriet Stanton Blatch, president of the Woman's Political Union, announced that the executive board of the union would meet on Saturday to lay plans for this campaign. "We do not favor another referendum on the election of New York State," said Mrs. Blatch. "We feel that we have

Miss Alice Paul, chairman of the Congressional Union for Woman Suffrage, declared that the defeat of suffrage in New York, Massachusetts and Pennsylvania would stimulate the movement for a federal suffrage amendment. THE OIL TRUST ON THE PLAIN OF SHINAR

When the Psalmist describes the blessings that are to come to the Arabian peninsula, in the Seventy-second Psalm, he gives the very boundaries of Arabia, and indicates what economic and social and moral changes will take place when "Christ shall have dominion from sea to sea and from the Euphrates to the ends of the earth."
