Antiseptic Remedy That Cures Most Cases in Short Time

The many sufferers from eczema in Harrisburg and vicinity will welcome the news that a new antiseptic has been discovered that relieves the itching and soreness almost as soon as it is applied, and which will soon make an absolute and thorough curé in even the worst case.

stat two years and also an opportunity to get some of the brickbats that all a ways come to those who do things.

Republicans Teased

Republicans to-day expressed them selves as delighted with the genera result, although regretting the defeat of Messrs. Houser and Taylor. William H. Horner, the Republican county chairman, said to-day:

"I am delighted with the result of the vote for the county ticket. Of course, I am sorry for the defeat of William H. Houser, but I realize that this was a contest part from the ticket as a whole. Mr. Danner was relected not on political, but on personal issues. The returns show that Dauphin county is again safely in the Republican column and that nothing but a mere skeleton remains of the one-time formidable Washington party. I am confident that the voters were not only satisfied with the ticket as presented to them this year, but their vote also registered the rising discontent in this community with the Democratic administration at Washington. No small part of the success of the Republican committeemen and party workers throughout the districts who labored all day to get out the vote. All Republicans should be proud of the splendid proved its mettle this Fall and will be ready to go on the firing line in next year's big contest."

### OLD-TIME COLD CURE-DRINK TEA!

Get a small package of Hamburg Streat Tea, or, as the German folks call it. "Hamburger Brust Thee," at any pharmacy. Take a tablesponful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Adv.
