## TUMULT AT PENN; FOUR STARS OUT

Berry Quits Without Notice; Declare Stock, Grant and Welch Ineligible

Philadelphia, Nov. 4.—One large bomb yesterday hit University of Pennsylvania football circles. Joseph Howard Berry, quarterback, turned in his resignation.

On the heels of the news of Berry's withdrawal from the varsity came the announcement from the coaches that three of the best players on the squad, Bill Stack, Ray Grant and Vincent Welch, were declared ineligible and would not take the trip to Boston for the Dartmouth contest.

As if this was not enough to cause a flurry of excitement to travel about the campus, it was also stated that in all probability Captain Ned Harris would suffer the fate of Allie Miller, leader of the 1909 team, when the latter stayed on the side lines and saw a better player supplant him on the field.

Harris has long been one of the weak spots in the Penn line, and now with Ned Matthews back in the game and Ed Russell playing the game of his career at the other tackle, there is no place for the Quaker leader except on the bench.

The trio, Welch, Stack and Grant, was the backbone of the freshmen eleven of last year and the declaration that they are ineligible and the withdrawal of Harris is a hard blow to Penn. It leaves the team with only one quarterback.

When approached on the subject none of the coaches would commit themselves. Their statements summed up were confined to these words: "All I know is that we were told that they were ineligible and were instructed not to take them on the Dartmouth trip. Further than that I know nothing."

Berry said he was disgusted with the coaches and was out of the game for good.

## Yale's New Coach Board Start Real Scrimmages

New Haven, Conn., Nov. 4.—With Yale's new board of strategy in full charge, heady strategists strategized today. Tom Shevlin, Yale yesterday took up football scrimmage practice, which had been overlooked since Colgate wrecked Yale with a 15 to 0 defeat.

Shevlin and his loyal recruits believe it tip-top policy for the eleven to thoroughly master a small number of effective, comparatively simple plays and repeat them against the Brown eleven.

Today's trial of the moves which were selected shot the varsity unchecked the length of the field against the freshmen for a touchdown in 10 minutes. The stubborn defense of the 1915 rush line prevented any spectacular runs, but Wilson in his new artillery roll at halfback never failed to get their ground. Scoville rammed the last 5 yards through tackle for the score.

Tried on the defense, the varsity showed less satisfactory form, although the freshmen were unable to score. Altogether the varsity spent more than two hours in the bowl, all but 15 minutes devoted to coaching in rudimentary tackling and handling of the ball, supplemented with dummy laboratory demonstrations of running through Harvard and Princeton formations.

Howard Baldridge and Otis Guernsey were in the line at left tackle and fullback, respectively, and both are promised for part of Saturday's game.

## Marysville High Holds Tech's Third Team to Tie

## Gen. Brown's Formal Opinion Given Today

Attorney General Brown today sent to the Department of Labor and Industry his formal opinion on the ruling that employment certificates now held by minors shall be valid until the holders are 16 years of age.

Com. Brown says that the law should not be construed so as to produce a result to the injury and disadvantage of those whom it was intended to benefit. The law, he says, is intended to bring about a condition in closing the law which says the situation calls for "the application of a broad, administrative discretion," and that minors holding the certificates, referred to "are subject to all other provisions of the act of 1915 such as the compulsory attendance at continuation schools and the prohibition of employment of more than 48 hours per week, including school attendance."

## CENTRAL WINS IN DICKINSON GAME

Outplay Freshmen Team; Rote Is Big Star and Puzzle to College Players

Central high yesterday walked all over Dickinson Freshmen, winning by a score of 26 to 7. The game was played at Carlisle and was watched closely by the varsity squad.

Little field was crowded with spectators from the college and the Freshmen were cheered wildly on their good plays. Houtz seemed to be unable to hold the ball and made several bad and unnecessary fumbles. One of these fumbles was made on Dickinson's 40-yard line which paved the way to their only touchdown. Warden who took the place of Marcus in yesterday's game, was injured during the last few minutes of play and may be out of the game for some time with a broken nose. No one else was injured and the team showed a marked improvement in their line work over that displayed in Saturday's game with Lebanon.

Rote was a big star for Central. He put up a wonderful game. The little fellow was an impossibility to Dickinson players. Once started, there was no stopping the little fellow until he was over the goal line. Ziegler and Moore were also in evidence in making big gains.

For Dickinson Conover, Harris and Garber played a strong game. Conover scored the touchdown after Houtz had fumbled the ball. Central scored in every period and outplayed Dickinson. The line-up and summary:

## Lehigh in Good Shape; Meet Penn-State Saturday

South Bethlehem, Pa., Nov. 4.—There is no concealment in the Lehigh camp of the belief that Lehigh will defeat Penn State in the game at State College on Friday. Without underestimating State's strength as shown against Harvard last Saturday, the Brown and White followers think they have a bigger, faster, more resourceful team.

Lacking only Hoban, who was graduated, and Chenoweth, who had a leg broken in the Yale contest, Lehigh will send in the same eleven that won from State 26 to 7 last year. It is a team of veterans who have had a record this fall that ranks with the best in the East. If Lehigh loses there will be no alibis and no excuses.

## SPANISH ADDED TO THE ELECTIVES

Normal School Principals Make An Important Change in Their Courses

State Normal school principals closed their annual conference at the Capitol last night after adopting a resolution providing that Spanish should be added to the list of elective courses at all normal schools. All of the schools were presented and the relation of the State to the normal schools' financial management were among subjects considered.

It was determined to establish a course of training in methods for teaching music in public schools and resolutions were adopted that after commencements of 1916 normal schools should not give the degrees of bachelor and master of pedagogy and asking Congress to pass the Page bill for federal aid for normal and high schools to promote vocational education.

The Ohio school code provisions in relation to normal schools were discussed by Prof. W. S. Hertzog, of the California school, and considerable sentiment in favor of more rigid requirements for certificates was manifested in the discussions.

Cincinnati, Ohio, Nov. 4.—Charles Weschman, of the Chicago Federals, and Harry Sinclair, of the Newark Federals, after holding a conference with August Herrmann, chairman of the national baseball commission, here yesterday, left for Chicago and New York, respectively. None of the exact would give an inkling as to the exact nature of the matter under discussion and contented themselves with the announcement that "we discussed baseball in general."

When Chairman Herrmann was asked if the meeting had anything to do with the alleged deal whereby certain National and Federal League clubs were to be combined, he answered: "We took up various baseball matters, and discussed baseball in general, but further than that I can say nothing."
