50TH YEAR OF LEBANON VALLEY

College Will Be Observed Commencement Week

Annville, Pa., Nov. 5.—This year Lebanon Valley College will celebrate the fiftieth anniversary of the founding of that institution with a commencement week that promises to be of greater importance than any other occasion that has marked the past graduating exercises. Prominent speakers of the country are being secured to celebrate the half-milestone of Lebanon Valley and influential churchmen will end their efforts to make the event a success.

a success.

Each class which claims the institution as its Alma Mater will at this time have a reunion of its members and revivify the almost forgotten as well as the outstanding landmarks of college life. As near as can be ascertained at the present time, there is at least one representative of every class, with the exception of one year, still living.

RELIABLE REMEDY RESTORES KIDNEYS

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is a physician's prescription.
Swamp-Root is a strengthening medicine. Dr. Kilmer used it for years in his private practice. It helps the kidneys, liver and bladder do the work nature intended they should do. Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it will help you. No other remedy can successfully take its place.

Be sure to get Swamp-Root and start treatment at once.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Harrisburg Daily Telegraph. — Advertisement.

WHAT CAUSES COLDS?

This question is asked every day. A cold is really a fever, not always caused by the weather but often due to disordered blood or lack of important food-elements. In changing seasons fat-foods are essential because they distribute heat by enriching the blood and so render the system better able to withstand the varying elements. This is the important reason why Scott's Emulsion should always be taken for colds, and it does morebuilds strength to prevent sickness. Scott's Emulsion contains Nature's
