STORY HOUR TALK ON NOVEMBER 20

Story Telling Club Will Present Miss Mabel Bragg in Recital

The Story Telling League of this city has secured Miss Mabel C. Bragg, of Boston, to come here on Saturday, November 20, for a "Story Hour Lecture" in the Technical High school auditorium, at 8.15 o'clock.

Miss Bragg is a professional story teller, a writer of charming tales and teacher of story telling. Last year she was a feature of the Columbia University lecture course and for seven years has taught State teachers at the New York Chautauqua.

Miss Bragg not only knows how to tell a story herself, but is able to tell others how to tell it. She will be generous in her illustrations during the lecture, which will be nominally priced as usual given for purely cultural purposes.

Free to Children Through the courtesy of the Story Telling Club all the children of the city are invited to hear Miss Bragg at the Technical High school, Saturday afternoon, November 20, at 2.30 o'clock.

Miss Ella Yost, treasurer of the club requests members to bring their dues to the story circle on next Tuesday evening from 8 to 9 o'clock at the hall of the Public Library, and to give her the proceeds of their tickets as soon as possible.

ELECTRIC SIGNS FOR HILL CHURCH

Innovation in Church Advertising Introduced by Dr. Smucker;

Two big electric bulletin boards have been erected at the main entrance to Stevens Memorial Methodist Church and the lights will be turned on for the Sunday service to-morrow evening.

The method of advertising by use of electricity is an innovation for churches of Harrisburg and the plan was made possible through the efforts of the pastor, the Rev. Dr. Clayton Albert Smucker. The Rev. Dr. Smucker says he is aiming at a more modern and effective method of church advertising and devised the electrical idea in connection with up-to-date newspaper "ads."

One of the big boards flanks each side of the main door and an illuminated cross over the door adds to the effectiveness of the display. The boards contain several hundred globes and were installed at a cost of \$200. The official board consisting of Charles H. Hoffman, John A. Affleck and All K. Thomas consented to the suggestion of the minister and helped boost the new scheme through.

The Rev. Dr. Smucker is largely responsible for the growth of the church since he came here from Baltimore less than two years ago. During that time the congregation membership has topped the 1,300 mark and Sunday school enrollment has reached 1,700. The board of trustees has started a movement to erect a new parish house which will cost in the neighborhood of \$20,000.

DETECTIVE WILL LECTURE ON VICE

Captain Wiard Is Social Survey Expert and Has Been in Many Cities

Captain O. O. Wiard, social survey expert, of Chicago, will address the men's club of the Stevens Memorial Methodist Episcopal Church, Thirtieth and Vernon streets, to-morrow evening, at 7.30 o'clock, on "World War on Vice and Crime."

The sermon-lecture will be illustrated with a fine collection of stereoscopic views. The big male chorus is to sing. There is no more interesting or striking personage on the platform at present than Detective Wiard. His messages have been received with unstinted praise in the leading churches of the country; ministers, college men, editors, reformers and the highest type of citizenship everywhere are most warm in their praise of his platform work. Chautauqua committees and lyceum managers re-engage him from year to year.

His work on the platform is a reinforcement of the work which for many years he has been engaged in. He has unquestionably apprehended and convicted more sluttish, saloonists, gamblers, white slave traders and grafters than any living man.

Instructs Masses After reducing the problems of law enforcement to a science, he is using his knowledge in instructing the masses in the possibilities of securing good government. His illustrations are all drawn from his great fund of personal experience and make his lectures more interesting than could be any drama. "Truth is stranger than fiction," and his recitals while clean and inspiring are a revelation to that great element of our citizenship which never walks in the dark paths which the criminals are making.
