

FEDS HOLDING MEETING TODAY---SCHOLASTIC ELEVENS PRACTICING HARD

TELEGRAPH TEAM TAKES 5TH PLACE

Bowl Victory Over Independents, Taking Three Games; Dwyer Is High Score Man

The Telegraph duck-pin bowlers returned to form last night and routed the Independents, winning by a margin of 127 pins. The match was a part of the series in the Inter-Office League. Brilliant work by the Telegraph bowlers was a feature in every game.

This victory moved the victors into fifth place. They now promise to be strong contenders for championship honors. Three games were hung up last night. "Buck" Ewins, captain and manager, had his team well in hand and his coaching was a factor in the results.

Dwyer, the youngest bowler on the Telegraph team had both high scores, making a total of 102 in the third game; and 283 in the match. Baker was high man for the Independents. The scores and standing follows:

Benton Quits Michigan After Tilt With Coach; Much Bad Feeling Exists

Ann Arbor, Mich., Nov. 9.—Internal dissension has again broken out in the ranks of the Michigan football team and as a result Benton, the veteran end will not be in the line-up against Pennsylvania on Saturday. The Varsity flanker did not play his usual game against the Cornells last week, and when the Wolverine coach called him down between halves Benton refused to return to the field for the second half, turning in his suit at the clubhouse.

This is but the outcropping of bad feeling which has existed within the team all season, causing the withdrawal of Eshewin from the squad last week, after a similar altercation with the coach. The lack of co-operation between coach and men has been apparent all season, and the failure to work in harmony has been responsible for the poor showing made by the Wolverines this Fall.

Yost let his men off easy last night, giving them a long drill at the signals, after a kicking and passing session of more than an hour. The hard work in preparation for the final game will begin to-morrow, scrimmages having been prepared for both Tuesday and Wednesday.

Feds in Session To-day; May Drop Two Franchises

Chicago, Nov. 9.—Routine business probably will take up the time of the Federal League club owners at their annual meeting at Indianapolis today, according to President Gilmore. Mr. Gilmore said it was unlikely definite action looking to baseball peace would be taken at the meeting, as conferences between the opposing factions have not developed tangible plans. The Federal League, he said, will be ready for war or peace.

It is possible that with the conclusion of the formal meeting at Indianapolis the Federal Leaguers will adjourn to French Lick or Chicago to discuss more fully the suggested amalgamation of the National and Federal.

Mr. Gilmore said it was possible the Kansas City and Buffalo franchise would be declared forfeited, the clubs in those cities having failed, he said, to carry out their financial obligations. One of the franchises, if they are forfeited, may be transferred to New York and the other turned over to new backers.

CORNELL TO CUT EXPENSES

Ithaca, N. Y., Nov. 9.—Publication of a series of recommendations by the faculty committee on student affairs designed to curtail athletic schedules and urging the reduction of expenses for athletics created a sensation in the athletic circles at Cornell and in the undergraduate community generally. The student body is highly enthusiastic over the success of the football team, and recommendations like that of abolishing the pre-Thanksgiving trip to Atlantic City and reduction of expenses, which it is said, are aimed directly at football, have aroused a storm of indignation.

MIDDLE A. A. EXPELS CARNEY

Philadelphia, Nov. 9.—By a vote of 18 to 5, Peter P. Carney, former hand-capper of the Middle Atlantic Association of the A. A. U., was expelled from membership at a meeting of the association held last night. Carney's expulsion resulted through his attack on George Pawling, president of the association, through the various newspapers in the country, several copies of which Mr. Pawling produced at the meeting, signed by Mr. Carney.

MONTGOMERY IS BIG STAR

In the Casino League the Crescents took two games from the Skippers and won the match, scores 256 to 266, the Crescents outclassed their opponents in the last two games. Montgomery had high single game, 235, and match honors, 618.

Ad Wolgast Bests Eddie McAndrews

Eddie McAndrews

Philadelphia, Nov. 9.—Although Ad Wolgast has lost a lot of the punch that made his famous in his championship days he had no trouble in besting Eddie McAndrews last night at the Olympia. Wolgast had the long end of the argument right from the start, but the Manayunk lad did a lot of fighting. In the number of punches McAndrews had the former champion faded, but when Wolgast landed to the jaw and body the blows counted a lot in his favor. In the very first round he cuffed Eddie on the jaw with his left and his dental piece assumed a ruddy glow. Another crack in the second cut Eddie's mouth, and in every round thereafter Ad never failed to hand out one of his lightning-like pokes to the face. Once in a while he would put over a right and then again would cave in Eddie's breadbasket.

ONE COLLEGE GAME ON SATURDAY BILL

Local High Schools and Harrisburg Academy Will Play Out of Town

With this afternoon's practice, four teams took up special work in preparation for hard contests on Saturday. There will be no scholastic game at home this week. Bucknell meets Gettysburg at Island Park in the annual college classic staged in Harrisburg.

Central High plays at Reading. Up to last Saturday the Berks county champions have been winning by big scores. The local eleven will not take any chances and expect to go to Reading with new plays and the regular line-up.

Tech plays at Lancaster. A victory for the Whitney bunch will go a great way toward healing up the soreness over last Saturday's defeat at the hands of Steelton High. Lancaster is the only eleven that defeated Central High. If Tech comes home with a victory local stock will again soar.

Steelton at Wilkes-Barre. Steelton plays Wilkes-Barre High on the latter's field. The result of this game will be closely watched because of Central's victory over the coal region champs last Saturday. Steelton feels quite confident of victory and promises Wilkes-Barre a hard fight. Harrisburg Academy with the regular eleven and a number of substitutes and rosters will journey to Lancaster for a game with the Yeates Academy. Coach Tutson will probably use one of the local high school elevens in practice in preparation for this battle.

Recent Deaths in Central Pennsylvania

Football Star Is Penn's Only Hope

HOWARD BERRY INTERNATIONAL FILM SERVICE

Philadelphia, Nov. 9.—Howard Berry appeared on Franklin Field yesterday afternoon, but he did not don a uniform or report for play on the scrub, as he had declared his intention. The members of Penn's coaching staff are endeavoring to get together and clear up the situation surrounding the dismissal or retirement of Berry from the varsity squad. It is believed that a series of misunderstandings brought about the removal of Berry from the squad, and the coaches are now endeavoring to straighten out the matter and find out just what motive actuated the quarterback in quitting.

The coaches refused to be quoted as regards the affair yesterday and Berry had nothing to say, except that he hoped the situation had not been made worse by misquotations and misunderstandings. It is likely that the fullback position will be strengthened out within a day or two, and that the Michigan game will see Berry back on the varsity squad, probably at the fullback position. He is badly needed in this contest.

Casino Bowlers Show Form in Fifteen Fast Contests; Montgomery Is Honor Man

Averages for the first two weeks in the Casino League indicate a repetition of last season's work by Montgomery of the Crescents. He is leading with an average of 195 in 15 games. His record for strikes is 57; total number of pins 2929.

Second man in the race and a close contender for honors is Jones of the Jolly Five crew. His average is 190; and he made 65 strikes in 15 games. New records have been made in nearly every game. The Jolly Five leads for team honors. The averages follow:

Tower City Tossers Ready; Strong Team and New Hall

The Tower City basketball team has been organized, and will be coached by John S. Schreiner. Tower City will enjoy the privilege of practicing and playing in one of the best equipped floors in the county this season, the Palace Hall, recently erected. The floor space is 65 by 40 and entirely free from obstruction, is conveniently located, properly heated, and has a seating capacity of 600. Every effort will be made by A. C. Schreiner, the manager, to give his patrons the best in this line of sport. With this end in view he is preparing a schedule with all second class teams in the surrounding country. Teams desiring games with Tower City will find it to their advantage to communicate without delay with Manager Schreiner, Tower City, Pa.

GETTYSBURG HAS SHORT PRACTICE

Hard Drills Begin Today For Game on Saturday; Bucknell Works Hard

Gettysburg, Pa., Nov. 9.—The Gettysburg College eleven came through the hard-fought game with Johns Hopkins without any serious injuries. Although the battlefield collegians suffered a defeat of 23 to 7, still the marked improvement of the team in general was what the coaches had hoped for. The team displayed its old-time spirit and fought gamely throughout the whole contest.

Special attention will be given by Coach O'Brien and his assistants in preparation for the game with Bucknell at Harrisburg next Saturday. No let-up will be in view for the Gettysburgians until the coaches are satisfied that the team which lines up against Coach Johnson's aggregation is in the best possible form. The varsity team did not get their usual rest on Monday, but scrimmaged against the scrubs after the usual signal drill.

Bucknell Team Works to Overcome Weakness

Lewisburg, Pa., Nov. 9.—The showing of Bucknell against the Midshipmen at Annapolis Saturday was a surprise to the coaches of the Naval Academy. Not only did Coach Johnson's proteges hold the Navy to a score of 13 to 3, but during the greater part of the game they completely outplayed their opponents.

Although Coaches Johnson and Still were encouraged at the form shown against this superior eleven, which they found many faults which must be overcome. So during the coming week the Lewisburgians will be put through a hard drill in preparation for the Gettysburg game at Harrisburg next Saturday. The team is in good physical condition, with the exception of McDermott, and with a week of strenuous practice the coaches expect to line up on Island Park a smoothly working and well-balanced team.
