Exceptional Price Reductions on Patent For Three Days, Thursday, Friday and Saturday

To make this the greatest event in our business career and the most successful sale we have ever inaugurated, we have made such remarkable reductions that every home that has need for one or more of these specially-priced medicines, rubber goods or toilet articles should avail themselves of this exceptional opportunity to lay in a supply for future requirement as well as for present need.

In grateful appreciation of the liberal patronage which has made our success possible, we herewith extend our thanks to those who for Thirty Years have favored us by coming to our store, and to the many who in recent years have helped to make this a bigger and better store.

Thirty years ago such a thing as a Cut-Rate Patent Medicine Store was unheard of, and Harrisburg Enjoys the Distinction of Being the First in the United States to Have a Store of This Kind, and is now known as the Home of the Cut-Rate Patent Medicine Business. Mr. Kennedy opened the first cut-rate patent medicine store thirty years ago in a very small storeroom on Broad street. Eight years later it was moved to South Third street in order to be near the central business district. For twenty more years the business grew until need of still greater space.
