

BETS ARE EVEN ON BUCKNELL-GETTYSBURG GAME---CROSS-COUNTRY RUN PLANS

BIG SCHOOL RUN PLANS COMPLETE

Big Scholastic Event Takes Place During Afternoon of Dec. 4; Tech Athletes Train

The cross-country run between Central, Tech, Steelton and the Academy will be held Saturday afternoon, December 4, at 3 o'clock, over a course of 2 1/2 miles. Twenty runners of the four schools will compete for a silver loving cup. The team having the least number of points scored against it will be declared the winner, to hold the cup for one year.

The athlete finishing first will have 1 point scored against his team, while the lad who finishes last will have 20 points tallied against the school that he represents.

The course will extend from Linglestown road, in Wildwood Park, to the breast of the dam, if the roads are in good condition. In case of inclement weather the runners will compete from the breast of the dam to Maclay street over the cinder road.

First School Run
The run is the first that has ever been held between the four schools and will likely be an annual event. Track men who are not participating in football at the several institutions are already getting into shape for the initial run.

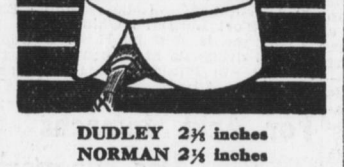

Tech candidates in training for this run number sixteen. Five freshmen are out in togs and will likely give their more experienced teammates a lively chase for the positions. They are Foltz, Schredley, Sebourn, Shader and Gastrock. Others who are out are Moltz, Harmon, Sutch, McGinn, Kay, Strickler, Baxter, Zimmerman, Musser, Miller, Wolf and Sherk. Regular practices are being held three nights a week and after the team has been selected a captain will be chosen.

Tigers' Final Scrimmage For Battle With Yale; Backfield in Doubt

Princeton, N. J., Nov. 11.—For the last time this season the Princeton varsity team was put through a scrimmage yesterday. The Tigers meet Yale Saturday. More than an hour, first behind the barred portals of University Field and then in the publicity of the stadium, the second team lined up against the first and battled strenuously.

During secret practice the varsity attempted an offensive but later the second team was given the ball and held it for unlimited downs. Yale played in which the substitutes have been well drilled, were used, with special emphasis laid on the lateral pass and Minnesota shift.

The final choice for backfield men has not yet been made. The same men played who started the Harvard game, but Moore, Dickerman and Law also were in the tussle for awhile. It is likely that all of these will be used against Yale before the game is over, and Moore may start. In the line most of the positions are settled, the exception that Butterworth may go in at center.

The team will leave here to-morrow and go to Hartford, where it will spend the night, arriving at New Haven Saturday morning.

Pick "Shorty" Loucks For Penn Backfield

Philadelphia, Pa., Nov. 11.—Waiter "Shorty" Loucks, a product of the York, Pa., High school may be the lad who will save the quarterback situation at Penn. The diminutive up-State chap has shown more vim this week in running the Quaker Varsity than any other aspirant for the position, according to Head Field Coach Dickson, there is a strong possibility that he will be at the helm of the Red and Blue machine when it starts in motion against Michigan on Saturday.

He can punt, throw the forward pass with a cunning accuracy and can catch and run back boots with the best of them on Franklin Field. Loucks is built much on the order of "Shorty" Miller, the former Penn State sensation. He is below the average in height and is almost as broad as he is tall, tipping the beam at over 150 pounds.

DENY KIVIA'S APPEAL

New York, Nov. 11.—The ruling of the Registration Committee of the Amateur Athletic Union Metropolitan Division in denying Abel R. Kiviat and Harry J. Smith, Olympic runners, ineligible for amateur competition, was upheld by the Board of Managers of the division last night. Kiviat and Smith appeared from the ruling of the Registration Committee in declaring them professionals. The managers, who heard arguments by counsel for the athletes, decided by a vote of 50 to 6 to deny the appeal.

MCCORD TO COACH CENTRAL

"Ike" McCord, the local football star, will again coach the girls' basketball team at Central High. He signed a contract for this season late to-day. For several seasons McCord has produced a winning team. This year he will have an abundance of material from which to pick a team. Practice will start during the second week in December. A schedule is now being arranged.

MICHIGAN TEAM ENROUTE EAST

Ann Arbor, Mich., Nov. 11.—Yost led his battered varsity up the steps of their Philadelphia train last night amid the yells of 3000 Michigan students, who had snaked danced their way down to the depot to give the maize and blue athletes a rousing send-off on their long trip into the east.

PICK BUCKNELL STARS FOR GAME AGAIN ST GETTYSBURG

The advance guards from Bucknell and Gettysburg will arrive in Harrisburg to-morrow. They will arrange the final details for the annual battle at Island Park Saturday afternoon. The special trains with the students will reach this city at noon Saturday. The game starts at 2:30 o'clock.

In accordance with the intercollegiate rules this season four officials will be picked for this game. They will be announced Friday night, following a conference between the managers. Bucknell players will be numbered, and it is probable that Gettysburg will fall in line for this feature.

The reserved seat sale for this game opened yesterday at the store of J. Harry Messersmith, 212 Market street. There was a big demand. This sale will stop at 1 o'clock Saturday and resumed at the Island. A record crowd is expected.

Both teams are confident of victory. Coach O'Brien yesterday at Gettysburg gave his squad a strenuous two-hour workout. He has been pleased with the results and expects a victory. The Bucknell coaches Johnson and Cockill, have had difficulty in getting a backfield, but believe they have solved the problem, and expect to win by a low score.

Saturday night the players from Gettysburg and Bucknell with officials and coaches will be guests of the Orpheum Theater management. Each team will occupy boxes during the performance of "Sadie Love." College colors will be used in decorating the theater for the occasion and a real college songs and cheers will be given.

At the close of practice yesterday Coaches Johnson and Cockill picked the men who will line-up for Bucknell in the game Saturday afternoon at Island Park. An exceedingly strong backfield is promised. In the above picture reading from left to right the stars are: Mangan, Glass, Spotts, Hendren, Smith, Hoppier, McDermott. The lower picture shows the two ends who have been doing good work. Lower Salaries Due For All Minor Leagues; No Standard Likely

Special to The Telegraph
San Francisco, Cal., Nov. 11.—Representatives of each league in the National Association of Professional Baseball Leagues in convention here were instructed yesterday to report what salary limits would be acceptable to their organizations. This action followed a long executive session, in which the policy of retrenchment was declared to be imperative.

Charles Ebbetts, president of the Brooklyn Nationals, according to J. H. Farrell, secretary of the association, who issued an official report of the meeting, advised the minor league men not to establish a standard salary limit for all leagues.

"Baseball can be saved only by sensible regulation of salaries," Farrell said. "It would be foolhardy for this convention to attempt to fix a general salary limit for all leagues. Each league should set its own figures, to which all clubs should adhere rigidly."

Baseball Peace Far Off; Federal Magnates to Fight

Special to The Telegraph
French Lick, Ind., Nov. 11.—Federal League magnates deserted French Lick last night and for all they accomplished here toward ending the baseball war at their meeting, peace is as far away as ever.

President Gilmore said that serious differences between representatives of organized baseball and his league had delayed indefinitely the arrival of peace, and he reiterated his declaration of the Federal League's intention to place the franchise forfeited by Kansas City in New York and its termination to go through another season as an independent organization unless terms of agreement could be reached before Spring. Buffalo probably would retain its franchise, he said, but that had not been fully determined.

STUDENTS WATCH TEAMS PRACTICE

Yesterday's Scrimmages Show Some Weak Spots; Important Out of Town Games

Strong school spirit was shown at all football practices yesterday. The Harrisburg Academy lined up against the Central high squad. Both student bodies were largely represented.

While this game was in progress Tech was lined up against New Bloomfield Academy on Island field. This scrimmage was a hard proposition for the local event and brought out several weak spots which will be overcome. Next Wednesday Tech will go to New Bloomfield.

All the games on Saturday are important. Central plays Reading high at Reading. The Berks county champs had a clean slate up to last Saturday. Tech plays Lancaster high at Lancaster. Early in the season Central lost to Lancaster by a 7 to 0 score. Harrisburg Academy will also play at Lancaster, having the Yeates Academy eleven as opponents.

SCHOLASTIC BASKETBALL

The scholastic basketball league starts in December with seven schools. A meeting will be held at the Y. M. C. A. November 27 to complete the organization. Reading, York, Central, Tech, Lebanon and Lancaster will send representatives.
