BALDWIN GOES UP ANOTHER POINT

U. S. Steel Reaches 88, but Almost Immediately Relinquished Advance

By Associated Press

New York, Nov. 15. — The speculative character of the trading in specialties was again demonstrated at to-day's opening, Studebaker scoring an initial advance of seven points at 170, only to react to 164 soon after. Baldwin Locomotive rose a point, with similar gains for Crucible Steel, Colorado Fuel, Tennessee Copper and other shares of the same group. United States Steel rose three-eighths to 88, but immediately relinquished its advance. Willys-Overland rose seven to 255, and other automobile issues, including Maxwell, Common, were higher. Rails were again an inconspicuous feature. By 10:30 o'clock most advances were lost.

OIL GOES UP AGAIN

By Associated Press

Pittsburgh, Nov. 15. — The tenth successive advance in the price of the principal grades of crude oil since August 13 was announced to-day by the South Pennsylvania Oil Company at the opening of the market with new rates as follows: Pennsylvania crude, 1.90; Cabell, 1.45; New Castle, Corning and Mercer Black, 1.40; Somerset, 1.35; Ragland, 75 cents. This is an increase of five cents a barrel on all grades except Ragland, which advanced two cents.

INCREASED CLEARINGS

Bank clearings in the city last week showed an increase of 15 3-10 per cent. over the corresponding week last year. The clearings amounted to $1,865,000.

ings have been covered with flooring and the walls and ceilings are festooned with bunting and streamers in the colors of the society—green and white. Hundreds of additional electric bulbs have been installed, transforming the interior into a glorious blaze of light and color.

Extending the entire length of both "Halls" are arranged the booths of the exhibitors, representative of the leading manufacturing plants of the State, as well as the various departments of the Commonwealth itself interested in conservation, road development and the "Safety First" movement.

Many local concerns are represented and among the entire list of sixty exhibitors, there appears to be a keen rivalry to present the most attractive display. The exhibit will continue throughout the week, being open every afternoon and evening.
