Reliable Laxative Relieved This Baby

Child Was Badly Constipated Until Mother Tried Simple Remedy.

In spite of every care and attention to diet, children are very apt to become constipated, a condition responsible for many ills in after life unless promptly relieved.

Mrs. C. W. Wilson, of Shelbyville, Tenn., had trouble with her baby boy, Woodrow, until she heard of Dr. Caldwell's Syrup Pepsin. She writes, "I can safely say Dr. Caldwell's Syrup Pepsin is the best remedy of its kind on earth. It acts so gently and yet so surely. Little Woodrow was very badly constipated and we could find nothing that gave relief until we tried your Syrup Pepsin, which gave immediate relief."

Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from opiates or narcotic drugs, mild in action, positive in effect and pleasant to the taste. It has been prescribed by Dr. Caldwell for more than a quarter of a century and can now be had for fifty cents a bottle in any well-stocked drug store. A trial bottle of Dr. Caldwell's Syrup Pepsin can be obtained free of charge by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.
