DANDRUFF MAKES New British Commander HAIR FALL OUT

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance: an incomparable luster, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or tollet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

Rules For Happy Wedded Life Include Many Kisses

Special to The Telegraph

Cleveland, Nov. 18 .- "Far too many married persons are seeking the road to happiness through the divorce courts," Common Pleas Judge Charles J. Estep gave this opinion when he found that since September 1 he has tried more than 425 divorce cases. He added:

"I have thought of these rules to help married persons to keep away Municipal Celebration from the courts: Husband kiss your wife good-by in the morning and say 'How do you do?' at night. Wife don't interrupt your husband while he is reading the paper or enjoying some hobby. Husband and wife teach your eyes to see fewer faults and more virtues. Husband don't tell your wife you are going to the lodge when you expect to play poker. Wife don't nag your husband. Finally, prospective husbands and wives, don't get married husbands and wives, don't get married until you have known each other a year."

Mayor John K. Royal to-day issued a call for a meeting of the Municipal Christmas Tree Committee next Tuesday night November 23 at his office. Plans for this year's celebration will ediscussed. In addition to the twenty members now on the committee, invitations to attend this meeting have been sent to Dr. Ezra S. Meals, mayor-elect; and J. William Bowman, president of the Harrisburg Chamber of Commerce. interrupt your husband while he is

FULL DUGIL VILL KIDNEY TROUBLE

Take a glass of Salts to flush Kidneys if your back is aching.

Noted authority says Uric Acid from meat irritates the Bladder

Meat forms uric acid, which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels, removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment: the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a table-spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder discretes disappear. This famous salts is made from the acid of grapes and lemon fuice, combined with lithia, and has been used for generations to clean and stimulate siuggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water cirink which millions of men and women take now and then, thus avoiding serious kidney and bladder discases.—Adv.

Nothing like "The Cowardly Way" has ever been presented to motion picture lovers, and in all its parts it has touched a new high mark of excellence. The five parts into which it is divided are replete with scenes which grip the heart and leave the spectator thrilled with the wonder of it all, and the magnificent way in which it has been presented. Hamlet's soilloquy "To be or not to be," takes on new meaning when read after seeing and understanding "The Cowardly Way." To-morrow and Saturday we present The Chicago Tribune's War Pictures which were secured at risk of life and at tremendous expense. To see these great pictures is to fully realize the necessity for the further preparedness of our country.—Advertisement.

"Old Home" weeks are great institutions in bringing you neck-and-neck with side relations which you've acquired by matrimonial coupling. Ah, yes, Old Home weeks are great institutions—but, if you expect to relieve the old place of that cussed mortgage,

London, Nov: 1.—The announcement by the Earl of Derby that unmarried men would be considered for the army after Nov. 30, has occasioned little surprise. Conscription has been talked of for months and when Lord Derby was placed in charge of the recruiting it was known that he favored conscription.

The conscription order is practically an admission that Derby's recruiting schemes have not been as successful as it was hoped they would be.
