In All Sorts of Weather Peruna Is An Ideal Protector

Mr. George A. Douglas, No. 49 East 151st St., New York, N. Y., writes: "As my work compels me to spend a large part of my time out of doors, I have often been drenched by sudden rains, chilled by extreme cold, and I soon found that I had a bad case of catarrh of the bronchial tubes. I tried plasters and medicines, but nothing I did seemed to help me until I took Peruna. This splendid medicine took right hold of me, drove every bit of the disease out, and built me up until I felt stronger than I had for years. Whenever I have been exposed now a couple of doses always restores me. Peruna is an ideal protector in all sorts of weather."

Peruna has probably cured more cases of catarrh than any other remedy in existence. Catarrh nearly always depends upon a depressed nerve center. Peruna is a natural invigorant that enables the system to overcome the catarrhal condition. We have thousands of unsolicited testimonials to prove these statements beyond all cavil.

Those who object to liquid medicine can now procure Peruna Tablets—Advertisement.

The Standard Remedy in Countless Homes

Relieves Constipation Easily Without Gripping or Discomfort.

Indigestion and constipation are two conditions that are closely related and the cause of much physical suffering. The tendency to indulge one's appetite is more or less general and most people suffer at one time or another from rebellion of the overtaxed organs of digestion and elimination. A pleasantly effective remedy, that will quickly relieve the congestion of poisonous stomach waste and restore regularity, is the compound of simple laxative herbs sold in drug stores for fifty cents a bottle under the name of Dr. Caldwell's Syrup Pepsin. This is a mild, pleasant laxative tonic, free from opiates or narcotic drugs, and has been the standard household remedy in thousands of homes for many years.

Mrs. Oliver Young, Merrill, Wis., writing to Dr. Caldwell, says, she knows of nothing so effective for regulating the stomach and bowels; since taking Dr. Caldwell's Syrup Pepsin, she feels ten years younger; her work seems easier and she has regained her appetite.
