ham took the case under advisement.

Sterner was arrested in New Bethlehem on October 15 by Sergeant Charles T. Smith, of Troop D, State police. He was arraigned before Justice of the Peace W. F. A. Craig. The justice fined him \$100 and costs, which he paid. At the hearing to-day Sterner's attorney asserted that this action of the justice was illegal inasmuch as the law provides that persons arrested for the operation of motor vehicles while intoxicated must be held for court. In this view the State Highway Commissioner coincided, but Mr. Cunningham stated that the automobile law placed in the hands of the State Highway Commissioner to held for cuntrolly to revoke licenses after a hearing at his discretion where he was convinced that the holder of the license of the license was not a fit and proper person to operate a motor vehicle on the highways. The commissioner made it plain that the legality or illegality of Sterner's conviction before a magistrate or justice did not enter into this case.

Sterner brought with him three withesses from New Bethlehem, W. W. Hineman, S. M. Laughlin and W. E. Harmon, all of whom testified as to his sobriety and good character in the community. He was represented by ex-Judge Theo. L. Wilson, of Clarion.
