Do Your Christmas Shopping Now

LET this be a guidance by which a Merry Christmas FOR ALL may be forthcoming.

Year after year, this request has gone forward with the advent of the holiday season, and each succeeding year the movement has gained additional favor with the public.

With prosperity at our doorsteps, the giving of gifts will be increased two-fold at least this year, and WHY NOT START NOW to secure them?

Do you realize there are only TWENTY-THREE shopping days until Christmas?

You surely know that Christmas stocks CANNOT remain unbroken until December 24th; and is it reasonable to wait until near then and expect AN EQUALLY GOOD SELECTION; or the same GOOD ATTENTION from wearied minds and tired limbs; the same PROMPT DELIVERY with parcel bins stacked high; the same CHEERFULNESS and all 'round SERVICE?

And what about YOURSELF; having waited until the last moment to mingle with a highly-tempered and jostling crowd of busy, holiday shoppers?

Wouldn't it be a wonderful Christmas, if YOU, and the thousand-plus STORE WORKERS of Harrisburg—men and women, boys and girls, were to arise on Christmas morning, early and fresh and cheerful, to REALLY ENJOY THE DAY; rather than attempt to recover from the weariness and nervous strain of the previous ten days?

Let us make Early Shopping a REALITY, instead of a PRE-TENSE!

Will YOU help?
