### OLD-TIME COLD CURE-DRINK TEA!

Get a small package of Hamburg Brest Tea, or, as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a teaspoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.—Adv.

### Eat a Square Meal and Not Fear Indigestion

There are hundreds of people in Harrisburg who were not the least bit surprised when they read a while ago that druggists are now selling Mi-o-na on a guarantee to refund the money in case it did not relieve. This remedy against dyspepsia has proved it will relieve the worst case of indigestion, headache, dizziness, constipation, played-out condition that afflicts every one suffering with stomach trouble. Mi-o-na does not simply relieve, it aims to cure.

There is hardly a druggist out can tell you of many well-known people in this city who this remedy has restored to health, often after they have tried many other methods of treatment with little or no benefit. We really believe no other dyspepsia remedy has made so much of a percentage of cures as Mi-o-na. It is so large that dealers who have sold it for years stand ready to refund the price to any customer whom it does not help.

The best kind of advertising is the praise of a pleased customer, and there are hundreds to-day praising Mi-o-na because it has done for them what it is advertised to do. The only one who could eat nothing without wondering what the result would be. Since using Mi-o-na, they eat what they want and when they want with no fear of suffering. This medicine comes in the form of a pleasant candy which is easy to take. It steadily and permanently relieves almost all forms of stomach trouble and is the only one sold under a positive guarantee without any restriction. It refunds the money if it does not relieve. Buy a box of Mi-o-na on this basis from H. C. Kennedy, or any leading druggist in Harrisburg.—Advertisement.
