MEMBERS OF ACADEMY CABINET ELECTED

The students of the Harrisburg Academy yesterday afternoon elected Carl K. Harlacher and George S. Jeffers members of the school cabinet. The election was made at large from the senior and junior classes. Other members of the school cabinet selected for the current year are: Lane S.

Hart and William Max McLaughlin, president and vice-president of the sixth form; Robert B. Shreiner and George A. Shreiner, Jr., president and vice-president, respectively, of the fifth form; Mercer E. Tate, Jr., editor-in-chief of the Spectator; Edward B. Roth and Howard Kreider, captains of the Greek and Roman clubs, respectively.

The greatest enemy of your teeth

When scientists recently discovered the cause of that dread disease, pyorrhea, they discovered the greatest enemy of your teeth. Why yours? Because the germ that causes this disease inhabits every human mouth!

Your dentist will tell you that half of all the permanent teeth lost are lost from this disease. This is because people have not realized before that everyone should take precautions against this enemy. You can start now to ward off its constant attack and escape the terrible results of this disease by using the proper corrective and preventive treatment in your daily toilet.

To meet the need for this treatment and to enable everyone to take precautions against this disease, a prominent dentist has put his own prescription before the public in the convenient form of Senreco Tooth Paste.

Senreco contains the best corrective and preventive for pyorrhea known to dental science. Used daily it will successfully protect your teeth from this disease. Senreco also contains the best harmless agent for keeping the teeth clean and white. It has a refreshing flavor and leaves a wholesomely clean, cool and pleasant taste in the mouth.

Start the Senreco treatment tonight—full details in the folder wrapped around every tube. Symptoms described. A 25c two oz. tube is sufficient for six or eight weeks of the pyorrhea treatment. Get Senreco at your druggists today, or send 4c in stamps or coin for sample tube and folder. Address The Sentanel Remedies Co., 502 Union Central Bldg., Cincinnati, Ohio.

Investigating Death of Girl Who Dies as She Gives Birth to Baby

After being unconscious at her home for more than 24 hours Pauline Brown, aged 19, of 1249 Monroe street died this morning shortly after 4 o'clock, just as she gave birth to a baby. The child was born dead. Lack of information about the case has caused Coroner Eckinger, cooperating with the health authorities and the district attorney, to begin a "real" investigation. A post mortem was held late this afternoon to determine the cause of the death of the girl.

Businessmen Want Congress to Establish Nonpartisan Tariff Commission

Washington, Dec. 2.—John H. Fahy, president of the Chamber of Commerce of the United States, told President Wilson to-day that businessmen wanted Congress to establish a non-partisan tariff commission and provide means to strengthen the merchant marine.

War Profits May Stop Before End of Conflict

New York, Dec. 2.—Frank A. Vandier, president of the National City Bank, told the American Association of Woolen and Worsted Manufacturers at the Waldorf yesterday that war profits may stop before the war does because of the inability of Europe to pay us.

Wm. A. McIlhenny Will Be Next Jail Warden

While members of the Board of Prison Inspectors said following their meeting yesterday that they had taken no action with relation to the election of a warden of the county prison to succeed William W. Caldwell, who becomes sheriff next month, it is generally understood that William A. McIlhenny will be the next warden.

Prevent Diphtheria.

A sore throat is a good breeding place for Diphtheria germs. Protect your children by never neglecting a Sore Throat. You can wisely depend upon TONSILINE. Give Tonsiline upon the first appearance of Sore Throat—don't give Diphtheria a chance in that throat in its weakened condition. When TONSILINE is swallowed it comes directly in contact with the diseased surface and induces a healthy condition of the membranes—then the throat system can better defend the throat if attacked by Diphtheria germs. Keep TONSILINE in the house where you can get it quick when needed. 25c, 50c, and \$1.00.
