KILL MANY DEER ON FIRST DAY

[Continued From First Page.]
South Mountain is full of deer this year.
KILL EIGHT NEAR WAYNESBORO
Special to The Telegraph
Waynesboro, Pa., Dec. 2.—Yesterday the deer hunting season opened in this vicinity under promising auspices. The first deer was killed by Percy Shover, a member of the Monterey Hunting Club, on Blue Ridge Summit. It was a 150-pound six-prong buck.
Another deer was shot at Glen Furney at 8 o'clock yesterday morning by O. R. Blair, of Canton, Ohio.
Frank Kooz, Greencastle, was another successful hunter. He shot a buck at Grafenburg at daylight. Charles Haugh, of Chambersburg, also killed a large deer near the spot where one was bagged by Joe Kooz. John F. Eiker, a member of the Cashtown Hunting Club, killed a two-pronged buck during the early morning. Charles Wingert, son of William Winters, brought down a buck in Buchanan Valley.
Reports from the Caledonia section, near Chambersburg, were to the effect that the deer were killed in the section yesterday. James Robertson killed one of the largest bucks of the season in the North Mountain yesterday.

KILL TWO BUCKS AND BEAR
Special to The Telegraph
Bellefonte, Pa., Dec. 2.—Though the lack of a tracking snow was very much regretted by the army of hunters out on Centre county mountains for the opening of the deer season yesterday, yet if the meager reports so far received are any criterion it is likely a good many were killed.
The Woodward hunting party got a four and a five pronged buck and saw upward of two dozen deer near their hunting camp in the Penn's Valley Narrows.
In Sugar Valley, Lawrence McMullen, a member of the Hecla Club, shot a 300-pound bear, and another member of the party bagged a large black buck, which they still expect to get. Most of the hunting parties are camped miles away from means of communication and several days before definite news can be had.

REPORT TOO MANY DEER
Special to The Telegraph
Williamsport, Pa., Dec. 2.—The Larry Creek Club will hold its deer on its reserve because they have become too numerous for the size of the preserve. A 240-pound buck was shot by a Trout Run party.

ONE DEER AND A BEAR
Lewisburg, Pa., Dec. 2.—Hunters in Union county shot two bucks and a bear. County Commissioner Samuel Benner, of New Berlin, got a black bear. Henry Kerstetter, of Welkret, shot a four-prong buck, and C. W. Yager, of Sunbury, and Harry Fisher, of Berwick, after one hour's hunt brought down a buck.

BROUGHT HOME PARTRIDGES
E. D. Hiliary, division freight agent for the Philadelphia and Reading Railway Company, with offices in the Telegraph building, returned last night to his home at Camp Hill from a successful hunting trip. He was after small game and brought home a large bunch of partridges. Mr. Hiliary was out for several days.

WITHDRAW FORCES FROM SERBIA

[Continued From First Page.]
Salonki. Though a deadlock seems to have been reached negotiations are still under way.

Monastic Not Occupied
British casualties, military and naval from the beginning of the war to November 9, last, totaled 510,230. Premier Asquith announced today. The naval casualties were 12,160. Of the total 108,222 were killed, 6,940 of these being officers.

Apparently the Bulgarians have not occupied Monastir, in Southern Serbia, although its evacuation by the Serbians were reported several days ago. More recent reports declare Serbian forces are still in the city. The Bulgarians, according to Athens advices are supposed to be waiting for reinforcements.

Arrival of further reinforcements for the Bulgarians before the French front in Southern Serbia is reported from Athens.

Artillery exchanges continue on the Franco-Belgian front, but with lessened intensity, the French war office reports state.

Italy Will Adhere to Her Agreement Not to Conclude Separate Peace

By Associated Press
Paris, Dec. 2.—Italy gave her adherence on Monday to the London agreement of the other entente allies not to conclude a separate peace, says a Milan dispatch to the Matin.
Lieutenant General Count Cadorna, chief of the Italian general staff, who was to have visited France for an inspection of the western battle front has been compelled to forego his trip, the Matin's correspondent says, because of the intensity of the fighting in the Italian front, especially along the Isonzo. General Horro, under chief of the general staff will be sent as a substitute, and will arrive in Paris December 5.

If it is true that Italy gave adherence to the London agreement...

WOMEN SAVE \$5 USING GASOLINE

Dry clean your dresses, suits, silks, yokes, gloves, draperies, etc.

Save \$5 to \$10 by doing your own dry cleaning. Here is a simple and inexpensive way to clean and brighten children's coats, hats, caps, woolen garments, Swiss laws, organdie and chiffon dresses, kid gloves and shoes, furs, neckties, ribbons, silks, satins, lace, yokes, silk shirtwaists, draperies, rugs, in fact, any and everything that would be ruined with soap and water.
Get two ounces of solvite at any drug store and put it in two gallons of gasoline, where it readily dissolves. Then put in the goods to be cleaned. After a little rubbing out they come looking as clean and fresh as new. You will find nothing fades, shrinks or wrinkles, requiring no pressing.
Any woman can do home dry cleaning in a few moments at little cost and save lots of money. It is as simple and easy as laundering, and you can't make a mistake. Your grocer or any garage will supply the gasoline, and your druggist will sell you two ounces of solvite, which is simply a gasoline soap. Then a wash boiler or large dishpan completes your home dry cleaning outfit.—Advertisement.

ASTRICH'S
Fourth and Market Sts.

TO MAKE PHONE SYSTEM SURVEY
C. J. Larsen Appointed to Standardize Methods of Independent Companies
Carrying out the provision of a resolution passed at the last Convention of the Independent Telephone Companies of Eastern Pennsylvania, held at York, the Service Committee yesterday appointed C. J. Larsen, an electrical engineer, to make examination of all the facilities of the Independent Telephone Companies of Eastern Pennsylvania. The purpose is to bring about a standardization of operating methods, improvement in central office apparatus, inspection of toll lines, and adoption of long distance routes between connecting companies, all of which will greatly increase the range and perfect long distance transmission.
The headquarters for this department will be in the Cumberland Valley Telephone Company's office building, 227 Federal Square. Complete equipment is now being installed in the Service Department to facilitate the work of making long distance transmission tests, and no expense has been spared in thoroughly making the department efficient.
A survey will be made immediately, and maps showing the network of toll lines operated by the Independent Telephone Companies in the States of Pennsylvania, Maryland and Virginia will be drawn.
Extensive long distance transmission tests will be begun by a force of experts, who have made this particular feature a life study, and results beyond expectation are expected from this investigation.
This service committee co-operating in this important work is made up of men whose professional and business training has been very broad and includes:
E. M. Prisk, chairman, general manager, Consolidated Telephone Co., Hackett; H. M. Tracy, receiver, Cumberland Valley Telephone Co., Harrisburg; and A. J. Ulrich, traffic manager, Keystone Telephone Co., Philadelphia.

Germany Cannot See Why Allies Do Not Start Peace Negotiations
By Associated Press
Berlin, Dec. 2.—(By Wireless to Sayville).—Commenting on the proposed Socialist interpretation in the Reichstag concerning the conditions upon which Germany would make peace, the Overseas News Agency says:
"This interpellation is due to the fact that in Germany nobody understands why our enemies, after diplomatic defeats in the Balkans coupled with military failures, have not yet begun peace negotiations. The Imperial Chancellor, Dr. Von Bethmann-Hollweg, probably will discuss these possibilities in the Reichstag during one of the next few days. Ensnaring debates will likely show that the rulers of countries at war with Germany, still blinded, believe in Germany's starvation, her economic prostration and in similar illusions. Therefore any peace conditions put forward by Germany though dictated by her successes along all fronts, would be interpreted by the nations opposed to her as signs of weakness and weariness of war."

British Casualties Total 510,230 Troops Since Start of War
By Associated Press
London, Dec. 2, 11:49 A. M.—The total of British military and naval losses from the beginning of the war to November 9 was 510,230. This figure was given in a written reply by Premier Asquith to a question addressed to the government in the house of commons.
The losses were distributed as follows:
France—Officers killed, 4,620; wounded, 9,754; missing, 1,553; other ranks, killed, 69,272; wounded, 240,284; missing, 54,445. Total, 279,958.
Mediterranean—Officers killed, 1,594; wounded, 2,360; missing, 356; other ranks, killed, 21,521; wounded, 70,148; missing, 10,211. Total, 106,610.
Other theaters—Officers killed, 227; wounded, 337; missing, 76; other ranks, killed, 2,052; wounded, 5,537; missing, 3,232. Total, 11,502.
Navy (marines)—Officers, killed, 589; wounded, 161; missing, 52; other ranks, killed, 9,128; wounded, 1,920; missing, 219. Total, 12,190.
Grand total, 510,230.
The totals given as killed include those who died from wounds or other causes as well as the officers and men killed outright in battle.

President of Mt. Union Council Goes to Canada
Special to The Telegraph
Mt. Union, Pa., Dec. 2.—H. A. Wagner, who owns the largest baking establishment in Mt. Union, prominent in various clubs of the county and president of the Mt. Union council, left town for parts unknown. He started away on Thanksgiving Day, stating that he was going on a business trip and telling his wife that he would be back on Saturday. Instead of his return on Saturday his wife received a telegram on Sunday stating that he had gone to Canada to spend the winter and would not return to Mt. Union until next summer. That was the only message received and the reason for his disappearance is a mystery to his friends.

OLD FOLKS NEED "CASCARETS" FOR LIVER, BOWELS
Salts, calomel, pills act on bowels like pepper acts in nostrils.
Enjoy life! Don't stay bilious, sick, headachy and constipated.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles. So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect their gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.
Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store.—Advertisement.

Stone Set and Cameo RINGS For Ladies and Gentlemen
Fashions in rings change — there has been a decided change recently.
We have the new styles—hundreds of them—so many it would take columns of newspaper space to adequately describe them.
We can only speak of them in a general way—the new stone set rings are very popular—the demand is growing every day.
There is no limit to the designs, although certain defined lines are more or less adhered to. The odd shaped stones produce novel and charming effects.
Garnets, Emeralds, Sapphires, Tourmalines, Siberian Amethysts, Spanish Topaz, Rubies and Onyx, set single or in combination with pearls and small diamonds, seem to be favorites.

Our Ladies' Coral and Stone Cut Cameo Rings
are very much in vogue. The beautiful Japanese coral cameo is exquisite in color and delicacy. The cutting is clear and sharp. Every ring is a work of art. They must be seen to be appreciated.

Men's Stones and Signet Rings
Styles in men's rings run to the heavy, substantial English finish with Ruby, Siberian Amethyst, Bloodstone, Sardonyx and Sapphire Sets.
Our New Style Signet Rings are made in a variety of patterns. Some are studded with diamonds.

Our New Japanese Signet Rings
are a pleasing innovation. Instead of engraving the initials in the ring they are put on in solid gold raised letters in Japanese effects. They are oriental in design and much admired.

Emblem Rings
Our immense stock of emblem rings includes rings for every secret order and the leading fraternities. You are sure to find just what you want in our assortment.

If you are thinking about a ring for Christmas come to Claster's

You get new and up-to-date goods—the quality is guaranteed—the prices are lowest.
