

You Pay Less For Better Quality at MILLER and KADES

Our First Announcement For Christmas

IT IS impossible for printed words to convey any idea of the wonderful economies which the values in this great furniture department store make possible. It is an old saying that "Economy in itself is a revenue," and when you see all that has been prepared for this great event—when you stop to consider the quality of the furniture we offer and the low prices we quote—you will realize the truth of this saying as never before. If you need what we can supply, come in and get it.

There's no variations—no substitution. You'll find this store first in value giving, just as it is first in newness and variety. Best of all, your credit is as good here as cash elsewhere. Cash cannot buy a better bargain than your promise to pay. That's the foundation of this store's service to you. Our record has proved its worth to thousands of patrons.

If You Want Something Useful For Your Home For Xmas

Now Is Your Opportunity to Get One of Our Wonderful "Special" Kitchen Cabinets For . . . **\$19.85**
\$1 Cash, 50c a Week

This makes the third car load this season for this wonderful kitchen cabinet. Only a limited number will be sold at this price. Read the specifications over carefully.

SIZE—

This Cabinet beats the ordinary cabinet in size—up and down, and side-ways—from two to four inches. The interior compartments are generously roomy. It is the most cupboardy cabinet in the world.

CONSTRUCTION—

You will find that this Cabinet is as solid and impregnable as a battleship. The construction is of the lock-joint, framed-in type, which makes the cabinet stand kitchen steam and kitchen heat without giving a hundredth of an inch. The backs and bottoms are of three-ply, built-up stock, grooved and glued in on all four sides.

FINISH—

Every surface is carefully molded and sanded to a beautiful velvety smoothness, and finished with a waterproof satin finish in light natural oak. The interior of the upper section is coated with three heavy applications of blue-white enamel. All doors are molded and sanded smooth. Every edge is rounded, and even the interiors of the drawers are carefully sanded.

MATERIAL—

These Cabinets are built of selected SOLID INDIAN OAK throughout from top to bottom even to the interior of all door panels.

EQUIPMENT

Full-sliding metal top. Tinned wire shelves and racks. Burnished nickel hinges and pulls. Door latches of an improved gravity type. Tilting flour bin. Crystal glass sugar receptacle and glass jar with air-tight metal lids. Sanitary metal bread and cake box, spurred steel castors. No cabinet in the world is better outfitted.

THE PRICE—

\$19.85

The lowest price we make on the Cabinet is possible only through quantity buying. For this reason, few if any good stores are able to quote an equally low price on a Cabinet of this character. This offer affords an excellent idea of the savings this store presents its customers and provides an excellent opportunity for you to make a money-saving acquaintanceship here.

Childs' Desk and Chair . . . \$1.59

Natural finish, strongly made and has black-board inside lid of desk. Folds neatly and can be stored when not in use.
