REVIVAL OF OLD CUSTOM ENDORSED

the idea. In the ancient days of England and Ireland the lighting of candles on the eve of the Birthday was a general custom. Because of the comparatively modest cost of the tapers, the observance is well within the reach of most everybody.

Delightful Sentiment

Here are some of the expressions on the Telegraph's suggestion as voiced by some of the clergy:

The suggestion is just fine and I hope it will be carried out generally. It is a beautiful sentiment and the cost is so small that it makes it possible for most everybody to participate. The old Hebrew custom, you know, is to light tapers for each member of the family from the beginning until the end of the Sabbath. Our people could well follow out the plan of lighting a candle for each member of the family.—Rt. Rev. James Henry Darlington, bishop of the Episcopal diocese of Harrisburg.

The whole idea is a delightful one and I would surely suggest that everybody follow it.—The Rev. Dr. George Edward Hawes, pastor of Market Square Presbyterian Church.

The suggestion, to my mind, is a very timely one, especially in these material times. The sentiment is beautiful.—The Rev. S.

NERVOUS BREAKDOWN

Stamford, Conn., Nurse Tells How She Found Health

Stamford, Conn.—"I am a nurse and suffered from a nervous breakdown. I had no appetite and could not sleep at night, and nothing seemed to help me. By chance I heard of Vinol, and after taking the first bottle I noticed an improvement, and four bottles made me well and strong. It gave me a hearty appetite, so I can sleep soundly night or day. I consider Vinol a wonderful tonic." Edith M. Forbes, Stamford, Conn.

The reason Vinol is so successful in overcoming such conditions is because it is a constitutional remedy and goes to the seat of the trouble. It is the greatest strength creator we know—due to the extractive medicinal elements of fresh cod livers without oil, combined with peptonate of iron and beef peptone, all dissolved in a pure medicinal wine.

We have seen so many wonderful recoveries like this right here in Harrisburg caused by Vinol, that we feel perfectly safe in offering to return money in every such case where Vinol fails to benefit.

George A. Gorgas, Druggist, Kennedy's Medicine Store, 321 Market St., C. P. Kramer, Third and Broad Sts., Kitzmiller's Pharmacy, 1325 Derry St., Harrisburg, Pa.

P. S. In your own town, wherever you live, there is a Vinol Drug Store. Look for the sign.—Advertisement.
