Peruna Has Been a Godsend to Me

I Can Feel Safe In Saying That It Saved My Life

Mrs. Charles Anspaugh, R. R. 7, Lagrange, Ind., writes: "Peruna has been a godsend to me. I can feel safe in saying that it saved my life, as I was all run down and was just miserable when I commenced taking your Peruna, but am on the road to recovery now. I cannot thank you too much."

Miss Nettie E. Bogardus, R. F. D. 21, Westfield, N. Y., writes: "I have been a great sufferer from sick headaches, but am now entirely free from that trouble. I would recommend Peruna and Manalin to all sufferers." Those who object to liquid medicines can now procure Peruna Tablets.

IS YOUR COMB FULL OF FALLEN HAIR?

What to Do When Hair Comes Out.

Loose hairs in your comb and brush is Nature's way of waving a red flag in your face to tell you that your hair and scalp are losing vitality and that it is time you did something for them. Don't disregard the warning. A little attention now may mean long, thick, luxuriant hair for you for years to come. A little further neglect and thin, dry, dull, lifeless, brittle hair and finally baldness may result. To vitalize the scalp 'til it tingles with vibrant energy—to make every hair on your head healthy—get a package of Parisian Sage from H. C. Kennedy or any good druggist in town and rub a little right into your scalp with the finger tips.

Parisian Sage acts directly on the entire cell life of the hair—from root to tip—helping healthy growth and stimulating a beautiful glossy texture and glorious luxuriance. Notice how quickly your hair stops coming out on brush and comb—how it is easier to handle and dress and how all signs of itching or dandruff quickly disappear. It is not expensive.—Adv.
