SPECIALTIES AT OPENING YIELD

Some Drop a Point; Motor Shares Weak; Railroads Gain

By Associated Press

New York, Dec. 8.—Selling of the general character that attended yesterday's late dealings was resumed at to-day's opening, some specialties yielding as much as a point. United States Steel fell ⅜ to 86⅝, almost 2 points under yesterday's best quotation, while Reading, Union Pacific and Erie were equally heavy. High-priced motor shares were weak, Willys-Overland losing 6 at 420 and General Motors 3 at 518. Some of these issues made partial recovery in secondary quotations. Among the few initial gains of moderate proportions were Pennsylvania, St. Paul and Northern Pacific.

Business in the first hour was quite active, but the turnover was very moderate, only a few large individual lots changing hands. Dealings in Steel were greater than the combined operations in all other leaders. Steel fell to 86⅜ before it rebounded to 87¼ and other prominent issues were subject to the same irregular tendency. Canadian Pacific, Great Northern, Atchison, Reading and Erie were lower by 1 to 1½ during the early trading, but much of this loss was subsequently regained, after which trading became nominal. Anglo-French notes declined to 96, a fraction under the participation price. Bonds were lower.

Ford Pacificist Says Message Is Reactionary

New York, Dec. 9. — Wireless advices received to-day from the peace ship, Oscar II, signed by Henry Ford and prepaid, tell of a mass meeting held on board last night at which extracts of the message of President Wilson to Congress were read by S. S. McClure, the publisher.

Some discussion followed, during which Ellis O. Jones, a writer of New York, referred to the message as "reactionary," and said it should not be received in silence.

"We are going abroad now," he said, "on a mission to stop a terrible war among nations, every one of which is prepared in a military way. This is no time to disturb American traditions and prepare the United States for war."
