WITH BRILLIANCY OF POINSETTIAS

Holiday Effects in Decorations of Masonic Hall For Reception and Dance Tonight

In contrast to the wintry weather out doors, Masonic Hall resembles today a southern bayou with its trees, smilax and hanging moss relieved by the brilliant scarlet of poinsettias and holly.

Uttley has done unusually attractive decorations for the reception and dance this evening given by Mr. and Mrs. Jesse E. B. Cunningham in compliment to the Secretary of the Commonwealth and Mrs. Cyrus E. Woods and Mrs. Woods' mother, Mrs. John Marchand, of Greensburg, who are spending the winter here.

The walls have hangings of Alabama smilax and the ceiling is draped with Spanish moss, softly veiling the lights. From the center hangs a large basket of velvety scarlet poinsettias tied with broad satin ribbons, from which radiate garlands of the smilax to the side walls. Urns of poinsettias stand at either end of the receiving line with little Christmas trees forming a background as well as a screen for the Weber orchestra, which will play throughout the evening.

The balcony is draped with Oriental rugs in rich colorings and supper will be served there by Ruthford, in cafe fashion, with tall red candles gracing the small tables.

In the receiving line will be Mr. and Mrs. Cunningham, the latter wearing an exquisite model of white satin, entraine, with trimmings of tulle, black passerette and crystals. Mrs. Marchand, in a striking costume of black net and jet garnitures; Secretary and Mrs. Woods, Mrs. Woods wearing black net studded with black and gold, over gold tissue.

HEALTH INSURANCE

Some people are naturally thin. There is also a natural pallor but most people who are both thin and pale are far from well and they need a tonic.

Many people neglect to take a tonic until they get so sick that a tonic is not sufficient just because the demand of the debilitated body is not instantly enough met. The face, nerves, enfeebled digestion are neglected until the point where pain or actual breakdown requires medical treatment. A tonic taken in time is the best health insurance. It supports the overtaxed system, the worried nerves until nature can make repairs.

Build up the blood and you are sending renewed health and strength to every part of the body. The appetite is improved, the digestion is toned up, there is new color in the cheeks and lips, you are no longer a pale, nervous, enfeebled creature, you are a man or woman where before you were a child, and you find new joys in living.

Tonic treatment is useful in dyspepsia, rheumatism, anemia and nervous disorders. In many cases it is all the medical treatment that is required.

Free booklets on the blood, nerves and diet will be sent on request by the Dr. Williams' Medicine Co., Schickentady, N. Y. Your own druggist sells Dr. Williams' Pink Pills—Advertisement.

INDOOR LIFE MAKES FAT

TAKE OIL OF KOREAN TO KEEP WEIGHT DOWN, OR TO REDUCE SUPERFLUOUS FAT

People who are confined within doors and who are deprived of fresh invigorating air and exercise must take precaution to guard against over-stoutness, as fat acquired by indoor life is unhealthy and a danger to the vital organs of the body. Lack of exercise in the fresh air weakens the oxygen-carrying power of the blood, so that it is unable to produce strong muscles and vitality and the formation of unhealthy and unhealthy fat is the result.

If you are 15 or 20 pounds above normal weight you are daily drawing on your reserve strength and are constantly lowering your vitality by carrying this excess burden. Any person who is satisfied in their own mind that they are too stout should go to a good druggist and get a box of oil of Korean capsules, and take one after each meal and one just before retiring at night. Even a few days' treatment should show a noticeable reduction in weight, digestion should improve, energy return, footsteps become lighter and the skin less flabby in appearance. Oil of Korean capsules cannot injure, helps the digestion and is designed to increase the oxygen-carrying power of the blood. Any person who wants to reduce their weight 15 or 20 pounds should give this treatment a trial. There is nothing better.—Advertisement.
