Americans Are Safe in Red Cross Hospital

Saloniki, Greece, Dec. 20, 11 P. M., via Paris, Dec. 21, 11:30 A. M. — Dr. Henry Forbes, of Boston; Mrs. Walter Far-well, a Chicago newspaper correspon-dent, and Miss Mitchell are safe and well at Monastir.

well at Monastir.

Saloniki dispatches received yesterday said that Dr. Forbes and Mrs. Farwell were being held in Monastir by the Bulgarians, who had torn down the American fing from the Red Cross hospital, of which Dr. Forbes is in charge, and selzed flour which the Red Cross was distributing among civilians.

Dare's Coal

Only the frame structure of the J. E. Dare coal pockets was destroyed in the big fire last week. The coal was unharmed and business is going on as usual.

To meet the unusual conditions of loading and hauling the force of men has been doubled. Arrangements have been made to take care of the regular trade and old customers are notified that they need not order from other dealers but can get clean, high grade coal of all kinds and sizes as usual.

Condition of Federal Building Make Removal to Spooner **Building Necessary**

The condition of the Federal post

The condition of the Federal post office building at this time may necessistate the removal of the local internal revenue office to the Spooner building, 5 North Market Square.

5 North Market Square.

The officials in this office are awaiting orders from Washington for them to move to the various counties in this division for the collection of special axes which are due to be paid on the first of January, 1916, in accordance with the extension of the Emergency of the evenue Act for another year by Congress. H. A. Vollmer, division deputy collector, has under his division Dauphia, Perry and Snyder counties, and there are over 3,000 taxpayers in these to more and the present provided the provided the present provided the present provided the present provided the present provided the provided the present provided the provided

three counties. He will have sittings in each of the three, at various places, but cannot make out his schedule until orders come from Washington. All taxes paid before January 31, 1916, will not insure any pentalty, but there will be a 50 per cent. penalty placed on all payments made on or after February 1, and for a period of five months thereafter.

The extension of this act continues the tax upon retail dealers in tobacco, cigar and tobacco manufacturers, lent tobacco dealers, proprietors of pool and billiard rooms, theaters, circuses, etc., brokers and commission merchants.

There will also continue taxes upon twines, chewing gum, telephone and telegraph messages, insurance Politics, steamship tickets, Pullman car seats and berths and other things formerly taxed under special acts.

AMERICAN MEDICAL HODY WILL PROBABLY REFORGANIZE

By Associated Press
Chicago, Ill., Dec. 31. — Reorganization of the American Medical Association, a national body composed of more than 40,000 physicians, is expected to follow the decision of the Illinois Sur-

Red Cross Christmas Seals should decorate every Christmas package and letter. Buy 'em and paste 'em.—Ad-yartisamant.
