Hot Water Bottles and a FREE THERMOSAC

We do not think it necessary to dwell on the merits of a Hot Water Bottle as a Christmas Gift. As everyone knows this is the most valuable present anyone can give. But to give one of OUR GUARANTEED HOT WATER BOTTLES, is something extra nice, and during Christmas week we are going to include with every purchase of a hot water bottle, a THERMOSAC, FREE.

The THERMOSAC, is the New, Modern, Scientific and Sanitary covering for Hot Water Bottles.

It avoids the danger of burning or blistering the skin and because of its construction, retains the heat for a longer space of time; also does away with the old slipshod method of using a towel or cloth for this purpose.

Easy to put on and take off. Is well made, of a durable fabric specially adapted for this purpose.

A Complete Line of Colgate's Extracts and Toilet Waters

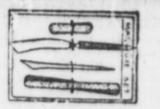

In beautiful Christmas packages. Including all their latest exquisite odors of which you have been reading so much about in the magazines.

Colgate's Gift Boxes. A combination package gotten up specially for Christmas of such odors as Radiant Rose, Florient, Splendor, Violet de Mai. Each box contains one package each of extract, toilet water, sachet powder and face powder, of these well-known odors.

Extracts, different sizes and different odors, from 25c to \$5.00.

Toilet Waters, in beautiful Christmas boxes, 25c, 50c and 15c.

And a hundred other Colgate's Christmas packages all different, and at all kinds of prices.

To Adopt Unit System in City High Schools

The well-known and widely used unit system will be incorporated in the curriculum of the Central and Technical high schools, probably within the next few weeks. It was explained yesterday to the students of Central by Mr. Dibble, who with various other school officials of this city agree that the scheme is practicable and would be an excellent one for the high schools of this city. The plan as stated this morning provides for the graduation of students who have sixteen units of work. A unit is counted a year's work in a subject. The requirements are that a student shall have nine units of work designated by the faculty; and any seven electives that he may have chosen for himself during his four-year course. The average student has eighteen units by that time. Condition examinations will be done away with under the new system and a student who has failed must either repeat his subject in class or continue in an advanced class until his work merits the removal of his conditions. Many universities have used the system to advantage.

Milkshake Ballad Takes Place of Highball Song

Special to The Telegraph
Philadelphia, Dec. 21.—Punch Bowl, the University of Pennsylvania monthly magazine, offers Penn students a substitute for the famous "Drink a Highball" song, tabcoed on the university campus since Provost Smith and members of the Penn faculty recently announced they disapproved of the song's a conolc references. Here it is:
"Drink a milkshake at daybreak,
Be a devil while you may,
For to-morrow we must borrow
What the milk cost yesterday
Sing the downfall of 'The Highball'
At Pennsylvania.
Drink a milkshake and, for Peto's sake,
Save the 'rep' of des 'old Penn!'"

CHRISTMAS CANDY

It is our aim to make better Candies than anyone else. That we have succeeded in making better Candies, Chocolates and Bon-Bons than anyone else has been proven by the fact that we are one of the largest and busiest confectioners in Central Pennsylvania.

Sweet, pure, thick, rich cream, pure granulated sugar, rich chocolate, dainty flavors and other wholesome ingredients used; made under the guiding hand of our skilled candy expert, in our own light, airy sanitary candy factory are the fundamental reasons we have succeeded in making better Candies, Bon-Bons and Chocolates.

Let Our Own Make Candies Tell Their Own Story—All We Ask Is a Trial

Nothing will convince you so thoroughly of the goodness of our Chocolates and Candies as the eating of them. You may know this: they contain the purest of sugar and the richest of cream, and that they are hand moulded and hand dipped under ideal conditions—but one taste outweighs all information. Could you imagine a more ideal candy for a Christmas gift. Sold in bulk or in fancy one-half pound to five-pound boxes.

To Public School Teachers, Sunday School Teachers, Ladies, Etc., purchasing in quantities we make wholesale prices, which are wonderfully low.
