Bitter Sweet, by Holland Cranford, by Gaskell Evangeline, by Longfellow Familiar Quotations, by Bartlett Hiawatha, by Longfellow Love Poems, selected Lucile, by Meredith Snowbound, by Whittier Some Fruits of Solitude, by Penn Diversion of the Company of the Com

Werther, by Goethe Dreams, by Schreiner A Child's Garden of Verse, by Stevenson Reveries of a Bachelor, by Mitchell Drummond's Addresses Story of Two Friars, by Field Volces of Freedom, by Whittler Samantha at Saratoga, by Holley Dives, Pomeroy & Stewart, Street Floor.

The Value Gift Books: Special, \$1.50

Introduction by Julia Ward Howe

Regularly, \$5.00

Eight Titles

The selections in "The Value of Simplicity" are made with rare taste, and the book is bright and readable from cover to

The Value of Love

This volume, by the compiler of "The Value of Friendship" and "The Value of Courage," is really the last work of the late Mr. Kowles.

The Value of Sincerity and Character

Each selection will prove of service to all in these days when Sincerity is often lacking and Character is not always of the highest standard.

The Value of Happiness

The compilations in this volume by the author of "The Value of Cheerfulness" have been made with the greatest care.

The Value of Courage

This most representative collection of prose and verse extracts upon the popular and inspiring theme of courage is by the author of "The Value of Friendship.

The Value of Cheerfulness

A volume of selections on the theme of good cheer. The quotations are chosen and arranged with admirable taste.

The Value of Contentment

The selections have been made with that care that has characterized and made popular Miss Barrows' "Value of Cheerfulness," "Value of Happiness" and other volumes of the series.

The Value of Friendship

The editor has aimed to gather the most notable sayings on friendship ever uttered by ancient or modern authors. Sentimentality is as carefully avoided as cynicism, and the note struck is sympathetic, manly and sensible.
