There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years Dr. J. C. Pease pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires a constitutional treatment. Hall's Catarrh Cure, manufactured by E. C. Chesney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful, and directly on the blood and mucous surfaces of the system. It offers one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: E. J. CHESEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.
