

CASINO BOWLERS HAVE EXCITING MATCH--TINKER PLANS SALE OF PLAYERS

TECH TOSSERS IN CLASS CONTESTS

Arrange Schedule to Start Friday night; Adopt Intercollegiate Rules

The annual inter-class basketball series for the class championship of the Technical High school will open in the Tech gymnasium Friday. The Freshmen will be pitted against the Sophomores. The rules as arranged by the basketball committee will prevent any active members of the first team from participating in the class games. All games will have to be played on the scheduled dates unless otherwise sanctioned by the committee. It was also agreed to follow intercollegiate rules in the playing of the contests.

Each class will play a series of 12 games with the season closing March 17. The contests are held after school in the school gymnasium. The schedule follows:

January 7, Freshmen vs. Sophomores; January 13, Freshmen vs. Juniors; January 21, Sophomores vs. Seniors; January 24, Freshmen vs. Seniors; January 28, Sophomores vs. Seniors; February 4, Freshmen vs. Sophomores; February 11, Juniors vs. Seniors; February 18, Seniors vs. Freshmen; February 25, Seniors vs. Sophomores; March 2, Freshmen vs. Seniors; March 10, Sophomores vs. Seniors; March 17, Juniors vs. Seniors.

KEYSTONES WIN MATCH

In the P. R. Y. M. C. A. league match last night the Keystones defeated the Senators; scores, 2670 to 2287. Diller, of the Senators, was high single game scorer with 213. Thompson had high total, 566.

Gwinner and Wards Balk at Cleveland Club Price

Special to The Telegraph

Pittsburgh, Pa., Jan. 4.—In conjunction with the Ward interests represented by C. B. Comstock, Edward W. Gwinner, president of the local Feds, is negotiating with President Ben Johnson for the Cleveland franchise. The conditions named by Johnson entail the payment of \$200,000 to President Charley Somers and assuming a mortgage held by the Forest City bankers against the property for \$275,000. Added to this the Bankers' Committee that holds the mortgage insists that a Cleveland man must head the team.

On the latter point Gwinner and the Wards have agreed to elect a Cleveland banker, who represents the Wards' interests in that city. They are willing to assume the mortgage, but balk on paying \$200,000 for the franchise. It is known that they have offered to split the difference, but so far no satisfactory agreement has been reached.

Guarantee For Players Will Not Come This Year

Special to The Telegraph

New York, Jan. 4.—"Harry Sinclair, owner of the Newark Federal League franchise, will not guarantee all Federal League contracts nor will he discontinue the Federal League players," said James A. Gilmore, president of the Federal League last night. "There has been an erroneous opinion ever since the peace meetings that Mr. Sinclair will guarantee the salaries of all Federal League players, and it seems time for me to deny it. I have received many letters from Federal League players, asking if it were so that Sinclair had guaranteed their salaries, and I replied it was not so. The only contracts Mr. Sinclair guarantees are those of the Newark club."

MEALS' APPOINTMENTS ARE APPROVED

[Continued From First Page.]

tain of the new bureau of detectives as soon as the ordinance creating the office is passed finally. The ordinance originally provided for a captain of detectives, but upon motion of Mr. Zell, Thompson and Hamer were created the office of superintendent instead of captain.

A. M. Hamer was appointed secretary to the Mayor to succeed C. O. Bostwick. Zell, Thompson and Hamer assume office at once; the remainder of the appointments become effective January 15. Each will remain until the same date. Windsor, according to the Mayor, will be sworn in at once to serve for ten days in order that he may follow himself with the Mayor. The detective department will consist of a superintendent of detectives, one detective and four plain clothes men, who will be taken from the ranks of patrolmen.

The Plain Clothes Men

These men will be Hyde M. Speece, Patrick J. Hyland, James McCann and James G. Schermer. Both appointments will keep the books and records of his department as well as put in a certain amount of time on the districts.

Aside from the dissenting vote of Mr. Sinclair, however, of the kind the framers of the nonpartisan form of government must have dreamed of, reigned throughout the session.

In addition to approving Mayor Meals' appointments Council also re-elected these officers without a dissenting voice: City Solicitor, D. S. Seitz; City Engineer, M. B. Cowden; Assistant City Clerk, Ross R. Seaman, Dr. George R. Moffitt and Thomas Reed Shuey were re-elected bacteriologist and assistant, respectively; Oliver P. Keller, bureau of health for a five-year term, and Clark E. Diehl, as city electrician.

FORGER IN JANUARY

As he was on his way out the chamber a spectator asked, "Mad, Jim?" "They can all go to h—l," he snapped. "They're all a lot of four-flushers."

VALLEY RAILWAYS TO ELECT JANUARY 12

The annual meeting of the stockholders of the Valley Railways Company will be held Wednesday, January 12, when directors will be elected for the year. Officers of the company will be elected later in the month. No date has been fixed for this meeting.

TINKER PLAYERS READY FOR BIDS

List Includes Thirty-Three Men Who Have Records; Retains His Stars

Chicago, Jan. 4.—Tinker, it was learned yesterday, has sent to each American and National League manager a list of 33 players he would be willing to trade, providing the sale of the Cubs goes through. Minus the players listed, the combined squad which will form the nucleus of his team includes 22 men, of whom 14 were Whales last year and eight were Cubs. Tinker's list did not include Pitcher Lavender in either those he expected to trade or sell or those he wanted to keep, but some time ago he was quoted as saying Lavender probably would be retained. Williams will be offered to Cincinnati in a trade for Groh, it is said.

Mr. Weeghman said he would leave for Cincinnati next Wednesday night, unless summoned in the meantime by Mr. Taft. The players Manager Tinker would put on the market are:

- Pitchers—Pierce, Humphries, Adams, Douglas, Schorr, Robbins, Wright, Standridge, Hogg (Cubs), Brennan and Anderson (Whales).
- Infielders—Keating, Schultz, McLarry, Phelan, Fisher (Cubs), Beck, Parrell, Hauser, Fritz, Westerly, Pechons, Weiss and Jackson (Whales).
- Outfielders—Williams, Good, Knisner, Illison, Murray (Cubs), Hamford (Whales).

Penn Wants "Bob" Folwell; Expect Decision Today

Special to The Telegraph

Philadelphia, Pa., Jan. 4.—Robert C. "Bob" Folwell, captain of the University of Pennsylvania 1907 football team, wrestling champion and hammer thrower, who last season coached the Washington and Jefferson eleven, will probably be the new Red and Blue head coach of the football team.

Folwell conferred with the members of the Football Committee last night at the office of Dr. Francis W. Sinkler, in Walnut street, west of Sixteenth.

While no definite selection was made, it was announced that the Football Committee will probably confer this afternoon with the Faculty Committee, and the announcement of the football coach will likely be made at the monthly meeting of the board of directors of the Athletic Association, to be held late in the afternoon.

It is understood that "Bill" Hollenback will be assistant coach.

TO BOLSTER UP PHILLIES

Special to The Telegraph

Philadelphia, Jan. 4.—Plans for next season were thoroughly gone over in this city yesterday afternoon by Manager Pat Moran and President Baker of the Phillies. Moran coming specially from Fitchburg, Mass., to attend the conference and also the annual meeting of the Phillies, when the following officers were re-elected: President, William F. Baker; vice-president, Fred T. Chandler; secretary, Samuel M. Clement, and assistant secretary, Guy Constans. Moran and Baker went over the matter of bolstering up the weak places in the National champions, and also whether it was advisable to secure from the list of Federal Leaguers or those who may be put on the market by the major league clubs to strengthen these weak positions.

LOCAL INSTITUTE PLANNED

Special to The Telegraph

Harrisburg, Pa., Jan. 4.—A meeting of teachers of public schools in the townships of Middle Paxton, Halifax and Reed and the boroughs of Dauphin and Halifax, will be held in the Boyer Memorial school building, this place on Saturday.

HOLD UP PEACE UNTIL TOMORROW

Will Settle Dispute Between Federals and Internationals; Silent on Final Plans

Cincinnati, O., Jan. 4.—Peace terms were yesterday given little consideration by the National Commissioners. It was decided to confer tomorrow on the dispute between Feds and International League.

At the meeting yesterday various matters that have to do with the readjustment of baseball affairs to conform with the recent treaty of peace were discussed informally, and other than the announcement that the date and place of the committee meeting had been fixed no news of a definite character came from the meeting.

It is known semi-officially, however, that the waiver question, in so far as it concerns the Federal League players, was taken up, thoroughly gone into and then laid over to be decided finally by the joint committee tomorrow. Several small matters will also be settled, other than the waiver question and the International League dispute.

Secret Waiver Plans

What these matters are was not allowed to be divulged but one man high in baseball circles said: "It is natural that there are a number of details that are bound to conflict when peace is declared between the two bodies. None of these details are of importance other than that they must be attended to. The two big questions to come up, of course, will be that of the dispute between the International League and the Federal League and the waiver question. Insofar as the former is concerned I can say very little, but in regard to the waiver question, I believe this will be decided quickly after the situation is explained to all of those concerned." Members of the National Commission expressed themselves as being disappointed when informed that President Gilmore could not be present at the peace committee meeting, but said it would not interfere with the meeting here, when called.

PLAN TRAINING SERIES

Philadelphia, Jan. 4.—There will be a Spring series between the Athletics and Phillies this year, but as predicted sometime ago, all of the games will be played in the South. Nine contests are to be staged between the Mackmen and Morannem instead of seven. The first six will be played at the training camps at St. Petersburg and Jacksonville, while the others will take place after the teams start their barnstorming trips North.

The first three games will be played on the Philly field at St. Petersburg on March 23, 24 and 25, while the next three are scheduled for Jacksonville April 1, 3 and 4. The other games will be played at Waveross, Ga.; Charleston, S. C. and Raleigh, N. C. Manager Mack has arranged schedules for two squads, as it is his intention to separate his veterans and youngsters on March 29, and the squads will not be together again until they arrive in this city for the championship race. As usual, Manager Mack will handle the youngsters, while the veteran Harry Davis will manage the veterans.

ALPHAS FRIGHTEN ORPHEUM FIVE

Take Two Games From Leaders in Casino Bowling League; Close Scores

The tail-enders in the Casino tenpin league last night gave the Orpheum a big scare. The leaders won the match by a margin of 2 pins, taking the second game. The loss of two games put the Orpheum back in the race several points. The Skippers, who tonight play the Jolly Five, are in second place, with nine and only nine points away from the top.

MINNESOTA COACH HOME

Special to The Telegraph

Minneapolis, Jan. 4.—Dr. H. L. Williams, University of Minnesota football coach, returned to Minneapolis yesterday after two weeks' visit in the East. When questioned relative to a report that the Yale committee appointed to select a coach for 1916 had decided to name him for the work, he said he believed the report premature, as no agreement has been reached.

Independents Put Crimp in Telegraph's Stride

The Independents last night defeated the Telegraph bowlers; margin, 114 pins. The game was a part of the Intoffice series and was played at Holtzman's. "Chick" Baker was the star, scoring 129 and 326 for high honors. The scores and standing follow:

L. B. Wanbaugh Heads Wormleysburg Council

L. B. Wanbaugh was elected president of the Wormleysburg council by a unanimous vote. J. R. Neidhamer, retiring president, refused unanimous re-election and nominated Mr. Wanbaugh as his successor.

The reorganization meeting was held in the schoolhouse, the old town hall having been razed to make way for the new building in course of erection. The first payment of \$1,000 on this building was made to Contractor Strickner last night. The fire company turned over \$500 to the council and the ladies' auxiliary \$300 as proceeds toward payment of the town hall.

Officers of the town for the next term are: L. B. Wanbaugh, president; R. E. Schreck, secretary; D. S. Brown, treasurer; William Mutch, street commissioner; John Stewart, policeman; A. M. Fowman, borough solicitor.

FROGS WIN MATCH

At New Cumberland last night the Frogs defeated the Tadpoles; scores, 2255 to 2278. This evening the Toads will meet the Frogs.

WELLY'S CORNER

It is said the Greystock five would like to sign McCord for next season. The local tosser is also wanted at Reading, according to reports from that city. It is not likely the Independent star will consider any offer at this time. His friends here are of the opinion that he would be a big star in the Eastern League.

"Jack" Drauby, the local baseball star, whose death was announced yesterday, was in the limelight for a long time. When he played with the Providence team of the Eastern League, Drauby was the batting star. His record as a hitter kept him to the front in baseball circles. He made good with Buffalo, and was on third base for Pittsburgh.

Few baseball stars go through their career without having troubles with umpires. "Jack" Drauby was one of these players. He had an original way of getting to the "umps." If a decision did not please Drauby he would call time, walk up to the man with the indicator, and in a low tone of voice ask for an explanation. If the umpire got mad, Drauby would look him in the face for a few moments and then remark, "Well, if you are going to get mad over little things like that, I'll not argue with you." Play would then be resumed.

Peace terms in baseball are on a par with similar reports from the European war zone. One day peace is certain. The next day there is a hitch in plans. Now comes the report that James A. Gilmore, president of the Federal League, refused to go to Cincinnati, but is planning for a settlement according to his ideas. Until signatures are placed to the agreement, and the Judge Landis decision is thrown into the waste basket, there will be troubles.

"Herb" Hunter, the local boxer, with his manager, J. J. Church, will shortly start on an eastern trip, taking in Lancaster, Philadelphia, Reading and other cities. Hunter is after boys who will give him a fight. Manager Church is anxious to get into the big game in Philadelphia, and is willing to take on all comers.

This is the week the Pennsylvania Railroad athletes get busy in preparation for the final contests to decide the year's championships. The local Motive Power baseball team lost out by a nose, but will be back again next season, stronger than ever. There will be some local champions in other sports. Harrisburg is strong in basketball, indoor baseball, pocket billiards and swimming.

Insurance Rule on Compensation

Companies underwriting workmen's compensation insurance in Pennsylvania were ordered to-day by the State Insurance Department to cover only compensation liability under the approved rates. Additional liability requires additional premium or the coverage is impaired.

Albert L. Allen, assistant manager of the State Workmen's Insurance Fund, in explaining on the order of the Insurance Department to-day, said: "No other liability than for women's compensation may be assumed by any insurance carrier unless an extra charge is made for the additional protection, under the order issued by the Insurance Department. By this interpretation, the State Fund policy gives equivalent protection in every respect as is given by any other policy."
