WEEGHMAN BUYS CHICAGO BRUINS

Half Million Dollars Is Price; Edward G. Barrow Has Appendicitis

Special to the Telegraph Cincinnati, Ohio, Jan. 6.—The Chicago Cubs changed hands yesterday when Charles Weeghman, former president of the Chicago Federal League club, agreed, among other things, to pay \$500,000 in cash to Charles P. Taft, of this city, for 99 per cent. of the stock of the Chicago National League club.

The actual sale, exchange of money and transfer of property will take place on January 20. The sale of the Cubs to-day served to practically complete the conditions of the treaty of peace recently signed here, and at a meeting of the committee to settle the dispute between the Federal and International Leagues all other loose ends that were found after the signing of the peace treaty were picked up and put in order.

Shortly after the Cubs had been sold the national commission went into session and re-elected August Herrmann as its chairman and John E. Bruce as its secretary. The full committee appointed at the recent peace meeting here to take up the International-Federal dispute held a meeting directly following the adjournment of the national commission meeting.

Shortly previous to this session President Edward Barrow, of the International League, who was suddenly stricken with appendicitis, said: "I will leave for the East to-night, and I am confident that the committee meeting will be a short one, so short, in fact, that I will be able to attend the entire session." The joint committee appointed to settle the Federal-International League dispute, after holding a short meeting, adjourned to meet in New York in about two weeks.

York Haven Dam May Not Be Destroyed Is Opinion of Lawyers

Whether or not the York Haven Water and Power Company must tear out the big dam across the eastern channel of the Susquehanna at Duffey's Island, after all, is considered problematical by to-day's opinion handed down today by the Dauphin county court in the case of John B. Rider against the water company. The Rider-York Haven Company controversy has figured in the courts for the last several years. It grew out of Rider's claim for damages to his land when the water from the river was diverted by the construction of the dam. The question of eminent domain had been raised and the court to-day held that the water company could operate under that right, it failed to observe certain technicalities. Among other things the company neglected to file its bond to cover possible damages to Rider's property when the dam was built. At the January term of Common Pleas court a jury will consider a resurvey action brought by Rider to recover damages against the company. Lawyers believe that if a verdict is allowed Rider, the court will entertain a motion to set aside the original judicial order affecting the dam. The court had ordered the dam removed and it is believed that if the company settles Rider's claim for damages the dam may remain intact.

C., Jan. 6.—Senator Fall, of New Mexico, led the promised Republican attack to-day on the administration's Mexican policy with a speech urging the adoption of his resolution calling upon the President to place before Congress information on which he had based the recognition of the Carranza Government. CAMDEN TOSSERS HERE SATURDAY

Eastern Leaguers Are Again Factors in Race; Independents Work Hard Daily

The Harrisburg Independents expect another hard game Saturday night when they line up against the Camden Eastern League team. The Camden boys are setting a fast pace in the league race and are rapidly moving toward the top in the standing. They got away to a poor start, losing many games because of dissention among the players, but their differences have been patched up and they are in a winning streak.

Last week the "Skeeters" set up a new scoring record against the DeNeri team, in two games scoring 45 field goals. These two victories put the Camden boys in the race again, and while they are four and a half games behind the Greys, they are far from being declared out of the race. The Independents held their weekly scrimmage against the Central High team yesterday afternoon. Captain McCord gave special attention to the defense, so that the team will be able to break up the plays of the Camden team.

BANK CALL ASKS FOR ALL FACTS

Comptroller Wants to Know if National Institutions Are Violating State Usury Laws

Washington, Jan. 6.—The Comptroller of the Currency to-day issued a call to all national banks requiring them to report to him their condition at the close of business on Friday, December 31. In to-day's call the Comptroller goes further than at any previous time to learn if money is being loaned by national banks in violation of State usury laws. He asks for a list of loans by all banks during 1915, "upon which interest was charged or collected, either in the shape of interest, discount or commission, at rates which would amount to more than the equivalent of six per cent. per annum."

"Banks are cautioned," says the call, "to prepare this statement with care and accuracy. When this report shall have been received national bank examiners will be instructed to verify the reports submitted by some banks, and if errors or discrepancies should be discovered which may seem to make it necessary in order to secure accuracy to verify the reports submitted by all banks, the examiners will be given instructions accordingly."

The call also asks banks to state whether it is their custom to require borrowers to carry deposits when loans are granted, how much they are now loaning, to nondepositors, and how much is loaned and not secured by collateral.

The aggregate of amounts which borrowers have refused to pay banks as penalties for usury. The call asks for complete information as to the connections of officers and directors of any bank in other banks or trust companies, their salaries, liability as payers, or indorsers and guarantors of paper, and the amount of overdrafts against them.

HARRIS LOST TO TECH HIGH FIVE

Found Ineligible Because of Unsatisfactory Scholastic Standing

Basketball prospects at the Technical high school received a rude jolt to-day when it was announced that Harris, acting captain and the team's star forward, was declared ineligible by the school faculty because of unsatisfactory scholastic standing. He will be barred for one month at least. The loss of Harris, who has been playing a whirlwind game, and who has been the leading Maroon scorer, comes at an inopportune time for the Tech five. Lancaster will be met by the locals in the Tech gymnasium Friday evening in the third league game of the season.

Next Wednesday Coach McConnell's proteges will oppose the Lebanon aggregation in the "Pretzel" town. It is likely that Coach McConnell will move Pollock from guard to forward in his place or substitute Lloyd for Harris. In case of Pollock being changed from the defense to the offense, "Muzz" Miller will go in at the guard position. The locals are practicing hard daily in the school gymnasium for the contest to-morrow evening with Lancaster and will enter the game more determined even though handicapped by the loss of Harris.

Derry Street Men's Class Committee Chairmen to Be Named Following Dinner

The monthly dinner of the men's Bible class of Derry Street United Brethren Church, Fifteenth and Derry streets, will be held to-morrow night at 7.45 o'clock in the social rooms of the church. Following the dinner a business meeting will be held, when plans for 1916 will be discussed.

The class has elected officers for the year and O. K. Kines, who has been re-elected president, will name his executive committee and committee chairmen. The new officers, in addition to Mr. Kines, are as follows: H. W. Rebe, vice-president; Earl H. Stauffer, treasurer; D. F. Saul, secretary; J. R. Henry, chorister; C. L. Shepley, assistant chorister; Earle E. Renn, orchestra leader; Arthur Bushman, assistant orchestra leader.

WELLY'S CORNER

Yesterday's sale of the Cubs brings baseball peace nearer final action. Considering the large amount of cash involved in getting rid of troublesome outlaws, it pays to go slow. One bad break may cause a loss of thousands of dollars after the season starts.

Indications are that baseball will get a late start this year. The minors are far behind their annual schedules. Usually teams are in good shape by this time as far as contracts are concerned. Some of the minor leagues have not made a start. They cannot do much until the controversy between the International League and American Association regarding Federal territory is settled.

Action taken to-day by the faculty of Technical high school in declaring a basketball star ineligible because of his scholastic failures is in keeping with the policy of that school. Dr. Charles B. Fager, Jr., at the beginning of athletic history at that institution, made it plain that scholastic standing is the first thing to be considered. No matter how valuable an athlete may be, he must show the required averages.

"Bob" Folwells, the new football coach at University of Pennsylvania, is losing little time in getting down to business. He is considering a number of candidates to assist him. It is likely that Folwells will be succeeded at Washington and Jefferson by "Bill" Hollenback. Dr. Wharton may be assistant at Penn.

News From Sportland

Last night at Steelton, Enhaut ex-high five won from the Y. M. H. A. tossers, score 20 to 13. Fielder Jones of last season's St. Louis Federal team will manage the Browns. He assumed charge yesterday.

It is understood that Cleveland will be purchased by outsiders. Local capitalists do not want the club. The annual series of clay target contests between Highspire and Middletown Gun clubs will start Saturday, January 15 at Highspire.

Middletown will play Hershey on the latter's floor to-morrow night. Captains and managers of the Holtzman Duckpin League will meet to-morrow night to arrange a schedule.

NEW LEAGUE WINNERS

In the P-R-I-N-T-S Duckpin League series last night at the Harrisburg Academy, the "R" team defeated "P," scores 465 to 504. The "T" team won from the "S," five, scores 529 to 487; and the "I" five had the best of the "N" bowlers, scores 475 to 289.

The Harrisburg Pipe and Pipe Bending Company's Bowling League started last night. The "11-7" trick five won over the "8-3" bowlers, scores 2156 to 1868. Luper of the winning team bowled 486 for high game score, and Stough of the losing five had high individual score, 199 pins.

Central High Girls to Start Season Next Week

Central High girls will start their basketball season Friday night Jan. 14 at Chestnut Street Hall. The first game will be with the girls' team from Lebanon high school. The local "Co-Eds" will play nine games. Miss Ruth Richards the manager has arranged a good schedule.

This year's team includes two of last season's stars, Miss Helen Rote who will be captain, and Miss Richards. Other positions will be filled after Coach McCord has had several practice games. The Misses Smith, Maloney and Hepford are probable selections. The schedule follows: January 14, Lebanon Valley College at home; January 21, Tyrone High school at home; February 3, Penn Hall at home; February 11, Camp Hill High school at home; February 19, Lebanon Valley College at Annville; February 25, Chambersburg High school at Chambersburg; March 3, Tyrone High school at Tyrone; March 10, Chambersburg High school at home; March 31, Camp Hill High school at Camp Hill.
