 Where Glasses Are Made Right

 \$5,000 LEFT TO CHARITY
Special to the Telegraph
 Reading, Pa., Jan. 7.—Five thousand dollars is bequeathed to charity and several out-of-town friends remembered in the will of Miss Emily A. Smith, filed in Orphans' court here today, disposing of an estate of \$250,000.
What to Do For Eczema
 Greasy salves and ointments should not be applied if good, clear skin is wanted. From any druggist for 25c or \$1.00 for extra large size, get a bottle of Zemo. When applied as directed, it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is dependable and inexpensive. Try it, as we believe nothing you have ever used is as effective and satisfying.
 Zemo, Cleveland.

COAL OPERATORS ACCEPT THE ACT
 Not Much Trouble Over Compensation Reported by the State Board Today
 Practically all of the coal producers of the State have accepted the new workmen's compensation act and there have been very few instances reported at the offices of the Board where difficulties have arisen because of the intricacies of coal mining. The time for filing rejections of the compensation act will expire next week for the first period and the number has

 been small, only a few coal producers being in the number. A number of coal companies have been granted exemption from necessity of carrying insurance.
 Word was received here yesterday of an amusing incident in one coal operation. It was reported that a couple of men, who were classed as not very good compensation risks, were notified of their discharge. The Mine Workers' Union served notice that the rest would strike if the men were not reinstated. The men were speedily put back.
 Coal companies were the first to catch a fatal accident compensation case and a number of the lesser accidents reported have also been in the mines. Several of the largest anthracite coal companies have been granted exemption from insurance, but a number of bituminous operators have insured in the State fund.
 Men connected with the Department of Labor are watching closely the operation of the child labor law in the anthracite field because of the

 breaker boys and are endeavoring to have some model continuation schools organized this month.
 The State Compensation Board will meet here on Monday to discuss applications for exemption and rejections will also be received. Some of the latter have been by Philadelphia lawyers whose cost for insurance would probably have been about \$5.
COL. HOUSE ARRIVES IN LONDON; SEES PAGE
Special to the Telegraph
 London, Jan. 7. — Colonel E. M. House, President Wilson's personal representative, the only alien passenger on the steamer Rotterdam, was permitted to land immediately on the ship's docking at Falmouth, and arrived in London in time to take breakfast with Walter Hines Page, the American Ambassador, yesterday.
 Colonel House will spend two weeks in London, departing thence for Paris, where he will remain for a few days. On his return here he may go to Berlin, but this part of his itinerary has not yet been arranged.

ANURIC?
 The Newest Discovery in Chemistry
 This is a recent discovery of Doctor Pierce, who is head of the Invalids' Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Dr. Pierce's Hospital for several years proved that there is no other eliminator of uric acid that can be compared to it. For those easily recognized symptoms of inflammation—as backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear.
 Go to your nearest drug store and simply ask for a 50-cent package of "Anuric" manufactured by Dr. Pierce, or even write Dr. Pierce for a large trial package (10 cents). If you suspect kidney or bladder trouble, send him a sample of your water and describe symptoms. Dr. Pierce's chemist will examine it, then Dr. Pierce will report to you without fee or charge.
 NOTE:—"Anuric" is thirty-seven times more active than lithia in eliminating uric acid, and is a harmless but reliable chemical compound that may be safely given to children, but should be used only by grown-ups who actually wish to restore their kidneys to perfect health, by conscientiously using one box—no more in extreme cases—as "Anuric" (thanks to Doctor Pierce's achievement) is by far the most perfect kidney and bladder corrector. Dr. Pierce's reputation is back of this medicine.—Advertisement.

Bringing Up Father By McManus

 YOU'RE GOING WITH ME TO THE RECEPTION WHETHER YOU WANT TO OR NOT!
 KIN I PHONE DINTY THEN AN' TELL HIM I WON'T BE OVER—
 SAY - DINTY HAVE IT FIXED RIGHT AWAY - I'LL PASS THERE IN A FEW MINUTES!
 YOU'LL NOT GET AWAY FROM ME TODAY - I'LL KEEP MY EYE ON YOU!
 YES - ME DARLIN!
 HELP - POLICE - MY HUSBAND HAS FALLEN IN A COAL HOLE!
 ARE YOU SURE HE FELL IN THERE - MADAME?
 THERE'S NO ONE IN THIS CELLAR - LADY!
 SO THAT WAS HIS LITTLE GAME - EH? I'LL FIX HIM FOR THIS—
 FROM MANUS
