JOIN NATIONAL REALTY EXCHANGE

Harrisburg Board Will Affiliate With Great Association; Elect Officers

Harrisburg's recently organized Real Estate Board will become affiliated with the National Association of Real Estate Exchange.

The Board last evening formally decided to join the national organization,

This will not only place Harrisburg on the nation's map in a new way, but will give the local board the additional prestige of sitting in the councils of the great municipal real estate bodies of the country. A. C. Young will represent the Harrisburg board at the meeting of the national body at the Hotel Willard, Washington, D. C., January 27. Pittsburgh realty men are planning to form an association similar to the national organization and it is expected that the former will meet here in the near future. The local board will be represented at this session, by President Herman P. Miller, J. E. Gipple and C. Vernon Rettew.

By the establishment of valuation and arbitration committees the board hopes to assist the home-buyer and home-maker in obtaining the benefit of the best advice in securing his property. Accumulation of necessary data to help the prospective purchaser in

the selection of his house, will be among the matters to which the new committees will devote careful attention. The arbitration committee will serve as a body from which inquiries as to assessors' excessive rates, etc., may be raised.

Officers and Committees

The board organized permanently last evening in the offices of Rettew and Bushnell by electing these officers: President, Herman P. Miller; vice-president, J. E. Gipple; secretary, C. Vernon Rettew; treasurer, Edward Moeslein. The committees include the following: Executive—Herman P. Miller, chairman, A. M. Bird, A. C. Young, George A. Shreiner, W. H. Harris, Charles Adler, M. R. Alleman, Steelton, and Edward Moeslein. Membership—H. M. Bird, chairman; A. M. Fought, Robert A. Carl, Press—A. C. Young, chairman; W.

E. Jones and J. E. Gipple. Municipal Ordinance—George A. Shreiner, chairman; M. A. Fought, and H. G. Pedlow. Legislative—W. H. Harris, chairman; A. M. Bird, John H. Maloney. Taxation—Charles Adler, chairman; Augustus Lutz and William P. Miller. Arbitration—M. R. Alleman, Steelton, chairman; Stanley G. Backenstoss and Peter Vanderloo. DRAGGED UNDER CAR

John Russ, of Steelton, a laborer employed at the Lalanc-Grojan mill, narrowly escaped serious injury yesterday when he was knocked down

and dragged a short distance under a coal car while at work. He sustained abrasions of the face and hands and bruises about the body.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. **WILLIAMS' CATARRH CURE**, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
