CUTLER SPEAKER AT BIG MEETING

Tragic Sufferings of Thousands Will Be Subject of Sunday Talk

PLAN GREAT GATHERING

Personal Letter of Appeal Issued; People Coming From Surrounding Towns

COLONEL HARRY CUTLER

The tragic story of the sufferings of the hundreds of thousands of Jews in the zones of the great world war will be vividly brought home to Jewish people of Harrisburg and vicinity next Sunday afternoon, when Colonel Harry Cutler, of Providence, R. I., addresses the big mass meeting to be held for the benefit of the Jewish war relief.

The meeting, which will be unique of its kind in the history of Harrisburg, will begin at 2.30 o'clock. Such a turnout of Jews of this city and surrounding towns as has never been witnessed will be the result.

In all America none is better qualified to tell the story than Colonel Cutler. A prominent businessman, president of the National Retail Jewelers' Association, former State legislator, a colonel in the Rhode Island National Guard and a member of the Governor's staff, he is a typical example of the self-made Jew. His eloquence as a speaker before the immigration committee of Congress several years ago won him national-wide notice.

Colonel Cutler, President Judge Kunkel and State Senator Beideman will be among the speakers at Sunday's great meeting. An overflow session is confidently expected, although the committee of arrangements has issued this personal appeal by letter to every Jewish man, woman and child in the city and vicinity.

"Dear Friends: In the name of humanity we ask you to attend the mass meeting for the benefit of the Jewish War Relief Committee next Sunday afternoon at 2.30 o'clock in Technical high school.

"This meeting is to follow the lead of the Carnegie Hall meeting which was held in New York, December 21, 1915, when the whole world witnessed a remarkable demonstration of the working of the Jewish heart. What has been so well begun in New York must and will be started and carried to a successful conclusion in every city and town where there are Jews. These mass meetings are being held in the Jews of the United States—rich and poor—in the north, east, south and west. Every place where there is a Jewish population of any kind mass meetings are being held. Each man, woman and child must bear their part.

"Let the Jews of Harrisburg and vicinity—male and female—make it a point to attend this most important mass meeting.

"Speakers have been secured for this meeting among whom are President Judge George Kunkel and State Senator Edward E. Beideman, of this city. The leading address, however, will be delivered by Colonel Harry Cutler, of Providence, R. I. He has been assigned to Harrisburg's mass meeting of the American Jewish War Relief Committee. He will tell such a story of the true conditions abroad in a way that will no doubt arouse in every Jew a desire to not only help but to help on the honor roll of cities which, recognizing their duty, perform it even to the extent of making sacrifices. Come, bring your friends, and let us all do what will give us just cause to be proud of Harrisburg Jewry in its important part in this great movement. We want to see Technical high school filled to overflowing.

"DAVID KAUFMAN, Chairman of Committee."

ISLAM'S WESTERNMOST OUT-POST

In Tangier is a Protestant church, standing guard over the great market place, and a Spanish Cathedral where the Bishop of Fes presides. Spanish priests have pushed their way to all parts of the country. But the mosque-towers of Islam, watch-towers they are in reality, still stand sentinel-like, overlooking every village and town. HAS'N'T LOST A GAME IN TEN YEARS

In the "Interesting People" department of the November AMERICAN MAGAZINE appears an interesting sketch of Gilmour Doble, a football coach who has never been defeated. In the following extract Mr. Doble comments on football players:

"A football player, above everything else, wants to be normal during the days of practice. Let him have good, wholesome, home-cooked food and his own home bed. Let him be with his own family, if he can be, and then you will have him in the best training quarters on earth. Let him live in the environment he is accustomed to. He is better with his mother than with a trainer and, in fact, his mother is the best trainer in the world. If he is accustomed to pie and likes pie and pie agrees with him, let him eat pie. And that also goes for pork. If a player is accustomed to smoke a pipe of tobacco between the dinner hour and the study hour, let him smoke. Whisky? No.

Whisky is merely an appendix. It can't possibly do any good and, besides, college boys, as a rule, are not accustomed to whisky.

"I have figured out and proved to my own satisfaction," he continued, "that if I can get the mothers to look after their players, just as they have looked after them from the days they were born, I shall never need to worry about the physical condition of the team. But, mind you, a perfect physical condition of the body, without the proper condition of the mind, renders the perfect condition of the body practically useless.

"I want my players during the practice days to be good, healthy, normal American boys, but on the day of the game they must be something different. On the day of the game they must look upon the college as a patriot looks upon the flag during the period of his nation's peril. The college must stand for something worth while, and on the day of the game it must stand for the most precious thing in the world."

CHOKE THE SNEEZE, PLEASE OR YOU WILL SPREAD GRIP!

GRIP, PNEUMONIA, COUGHS, COLDS, SORE THROAT, BRONCHITIS, AGAIN EPIDEMIC IN THIS VICINITY

RULES FOR FIGHTING Grip and Pneumonia

Avoid crowds, keep away from people who cough and sneeze. Don't ride in street cars when you have only a short distance to go—walk.

Sleep with windows open and breathe deeply. Avoid mouth breathing, avoid crowded theaters and movies, keep throat antiseptic with Oxidaze.

IF YOU GET THE GRIP

Cover your face when coughing or sneezing and don't expectorate in public.

Allow an Oxidaze tablet to dissolve in mouth every hour or so.

Druggists everywhere sell them on a positive guarantee that they will stop a cough or the grip or money back, no one who has a cough or cold or the grip can lose by giving them a fair trial. Be sure to insist on Oxidaze and take nothing in its place. A single package taken now may easily save many dollars in doctors' bills in future.
