Do this to-night, and by morning most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft and look and feel a hundred times better.

You can get liquid arvon at any firug store. It is inexpensive and never fails to do the work.—Adv.

The electrification of the Chestnut Hill branch of the Pennsylvania railroad, according to a statement made yesterday at the company's of ices in Broad Street Station, Philadelphia, is progressing rapidly, and, due to the character of an open winter, encountered thus far, officials now expect the entire work will be completed within the present year.

The estimated cost of the work is placed at about \$600,000 for the twelve miles to be constructed, compared with \$4,000.000 for the twenty-mile line between Philadelphia and Paoli.

W. J. Denning a veteran of the Pennsylvania Railroad yesterday celebrated his 73rd birthday anniversary at "The Maples" near Duncansville.

A daily inventory of the number of passengers hauled east and west over the Pennsylvania railroad is being taken, in order to ascertain if more trains are needed.

Harry F. Evans, 75 years old a retired Pennsylvania Railroad engineer, was found asphysiated at his home at Lewistown last night. The window was closed and gas turned on. He was born in Philadelphia and was a Civil War veteran.
