JACK DILLON.

Although rumors of a fistic encounter between Jack Dillon and Frank Moran have been current since Moran again knocked out Jim Coffey, theer is small likelihood of such a battle's being staged at the present time. Ike Dorgan, manager of Moran is authority for the statement there is small likelihood of such a have nothing to gain and everything to lose. Moran weighs in the neighborhood of 200 pounds and is a hulking big lad. Moran weighs around 170 pounds and is short and stocky. The difference in size of the two men would make an encounter between them look uneven. Dillon, although he has floored some of the biggest men in the ring, can scarcely be counted as a heavyweight contender. "Co-Eds" Meet Lebanon Valley Girls; Varsity Line-up Is Uncertain

Four straight victories for the Wilkes-Barre five of the Pennsylvania League strengthens the Barron's hold on first place. Freeland is tie for leadership, but has not been playing up to Wilkes-Barre's standard. Harrisburg knows something about the leaders. It is a classy bunch.

### Leo Houck's Team Wins in New Record By Jones in Game With Telegraph Five

The Harrisburg Telegraph basketball five journed to Lancaster last evening and met defeat for the first time this season on the small floor of the St. Joseph's team, which is captained by Leo Houck, well-known middleweight boxer. The score was 36 to 23, but that does not tell the whole story.

Another new record was hung up last night in the P. R. R. Y. M. C. A. bowling league. Burt Jones, a member of the Keystone team, bowled 276 for a single game. He has been the star bowler all season. On November 17 he made a record of 264, and on December 28 scored 671 in three games. The Keystone five last night in the P. R. R. Y. M. C. A. bowling league. whole story.

The somewhat overdone strictness of the referee in calling fouls was responsible for a large percentage of the score on both sides, and whatever speed the local team might have been able to work up was prevented by repeated interruptions for alleged fouls many of which were justified.

Floor work was made almost impossible by reason of the smallness of the floor, the low ceiling, and the two poles located in the center of the floor on a direct line with both basskets.

poles located in the center of the floor on a direct line with both baskets.

"Mike" Yoder, whose reputation as a center is well established locally, handled the pivot position for the Telegraph team and filled it very capably. Gephardt at one of the forwards did some very creditable foul goal shooting and Roth and Edmunds at guard kept the scoring of the opposing forwards at a minimum. The entire St. Joseph's team played a very good floor and passing game, but their shooting was ragged, and most of their scoring was the result of one pointers resulting from fouls called on the local five. To-morrow evening the Telegraph team will play in Carlisle.
