Trading 2 points to the high record of 101%. Trading was very active to-day, but the movement was more or less con-fusing. Specialties like Bethlehem Steel, International Nickel, American Coal Products and New York Airbrake made extreme gains of 5 to 18 points, but other issues of that class rose only moderately. Mexican issues were again under the spell of depression and rails were dull and irregular, i while United States Steel was under persistent pressure. Mercantile Ma-rine issues were again the outstanding features, the preferred stock rising 2% to the new record of 82½ and the 4½ per cent. certificates 2 ½ to 101%, also a new maximum. The closing was i:-egular. Bonds were strong with further heavy dealings in New York Central debentures. FOR light manufacturing, storage or shop purposes, a very desirable entire second floor, with private front en-trance, city steam heat, electric lights and water, in a new building located just south of Chestnut Street on River Street. Apply to Brinton-Packer Co., Second and Walnut Sts.
