WATERY BLISTERS ITCHED AND BURNED

Terribly on Ankles and Arms. Very Badly Inflamed and Swollen. Could Not Wear Shoes.

HEALED BY CUTICURA SOAP AND OINTMENT

"I had poison ivy on my ankles and arms which started with little watery bilisters and it itched and burned serribly. Matter formed in the little bilisters, and they would spread in a big patch like a boil. I scratched so that the blood would come, and it would be followed by terrible paining. The parts which were affected were very badly inflamed and swollen and my frot was so bad that I could not want to be so that the blood would come, and it would be followed by terrible paining.
