

HARRISBURG SHOOTERS MAKE GOOD SCORES AT PINEHURST---GREYSTOCK COMING

GOOD SCORES BY LOCAL SHOOTERS

L. B. Stewart, of West Fairview, is Near Top of List

Local shooters and M. B. Stewart of West Fairview are doing good work in the midwinter shoot at Pinehurst, N. C. Their scores to date have brought them recognition in the division of money prizes, and they are still in the race for further honors.

John G. Martin, president of the Harrisburg Sportsmen's Association has scored 188 and 191, total 379; H. B. Shoop, 181, 177, total 358; and M. B. Stewart, 179, 182, total 361. Fred A. Godcharles of Milton, deputy attorney general, scored 171 and 170, total 341.

The chief honors of the day at Pinehurst went to C. B. Platt, of Bridgeton, N. J., who scored 197 out of a possible 200 at 16 yards in the second day's round of the 600-target contest in the midwinter tournament.

Platt did not make a miss in any of the four 20-target events, his three misses being two in one 15-target and one in another 15-target set. He now has to his credit an unbroken run of 60, another of 94, and starts in to-morrow to complete an unbroken run of 55. Platt's score for the 400 targets already shot is 384, only one point behind the leaders, J. R. Hahn, of Davenport, Ia., and W. H. Jones, of Macon, Ga., who are tied at 385. Jones missed his first shot this morning and then proceeded to break 145 in succession, which unbroken run is the record so far for the tournament.

George S. McCarty, of Philadelphia, with 188, did not do quite so well today as yesterday, when he made 191, but has made an unbroken run of 117, which is among the three highest so far recorded. Other Pennsylvania scores follow.

George S. McCarty, Philadelphia, 191, 188, 379; F. A. Johnson, 112 and 78 out of 140; J. B. Pontaine, Philadelphia, 179, 174, 353; E. G. Ford, Philadelphia, 176, 186, 362, including a run of 61; C. H. Newcomb, Philadelphia, 188, 192, 380; D. W. Baker, Pittsburgh, 181, 193, 374; T. B. Snyder, Phoenixville, entered to-day and shot in the afternoon, 100, scoring 85; J. C. Bitterli, Allentown, 169, 162, 331; H. J. Schlichter, Allentown, 187, 192, 379.

Record Price For Stars For John McGraw's Giants

New York, Jan. 20.—It was learned to-day that the Giants paid \$35,000 for the release of Kauff, \$15,000 for Hariden and \$10,000 for Fred Anderson. President Hempstead is prepared to spend \$40,000 more, if necessary, to provide John McGraw with other players who appear to be needed for the task.

H. F. Sinclair who is selling the Federal League stars to the highest bidder, already has realized \$85,000 from the sale of Kauff, Hariden, Anderson and Magee, and all of this money will go into his pocket.

The Giants, meanwhile, have hung up a record for purchasing high-priced players in a single deal. When Comiskey put up \$50,000 for Eddie Collins last year he set a new mark, but President Hempstead has excelled it with his \$60,000 plunget.

Bennie Kauff threatens to refuse to play with the New York Giants. Bennie maintains that H. F. Sinclair had no legal right to sell him; that he is a free agent, and that the New York Club of the National League must meet terms dictated by him if McGraw wants him in his outfield this season.

The main trouble between the Giants and Kauff is the \$5,000 bonus he was promised last Spring when McGraw tried to take him from the Brookfords. The club is willing to give the bonus, but want to add it to his salary and distribute it over a period of three years. Kauff wants the \$5,000 in a lump sum.

Germany's Proposal to Settle Lusitania Dispute Is Rejected by U. S.

Washington, D. C., Jan. 20.—Germany's proposal to incorporate in the settlement of the Lusitania case a reservation of any admission of wrongdoing by her submarine commander is understood to have been rejected by the United States.

A new proposal from the Berlin government is expected momentarily, however, and there is a possibility that the controversy may be closed by the elimination of all mention of the merits or demerits of the actual torpedoing of the vessel, Germany agreeing to pay an indemnity for the American lives lost, reiterating expressions of regret and calling attention directly or by inference to the contention that she already has given the most effective disavowal by making assurances for the future.

Eight Japs Drift Across Pacific in Small Boat

Special to the Telegraph. Washington, D. C., Jan. 20.—A story of eight Japanese fishermen who drifted all the way across the Pacific Ocean in a small fishing boat, landing after twenty-four days of hardships on the British Columbian shore, reached the Bureau of Navigation to-day in consular dispatches.

The narrative tells how the fishermen, caught off the harbor of Shimoda, Japan, in a storm that carried away their vessel's mainmast and rudder, were driven eastward by ocean currents, helpless, and toward the end of their trip, half-starved. The boat grounded on one of the small uninhabited islands that dot the British Columbian shore, where the men remained until picked up by a passing steamer.

NEW YORK PAYS \$22,500 FOR GREAT FED STAR

LEE MAGEE
Some baseball authorities believe that Lee Magee is the greatest player in the game, with the single exception of Ty Cobb. He showed wonderful form with the Federal League club of Brooklyn last season. Captain Huston, one of the owners of the New York American League club, who negotiated the deal, paid \$22,500 for the Fed. Magee is equally good as a second baseman or outfielder. The New York club needs a second baseman, and it also needs three good outfielders.

BITTERS WIN VICTORY
The Harrisburg Academy duckpin match last night was won by the Bitters, who defeated the Bakers; scores, 1628 to 1522. Coward and Martin were high scorers, each having 131.

CASINO LEAGUE WINNERS
In the Casino Independent League series last night the Trojans defeated the Oregons, score 2399 to 2307, and the Puritans whipped the Recruits, score 2423 to 2225.

GREYSTOCK PLAY HERE SATURDAY

Eastern League Leaders Will Be Without McWilliams; Local Tossers Improve

The Greystock Eastern League team will play its second game here Saturday night with the Harrisburg Independents. As on their first appearance, the "Greys" are still in first place in the league standing by a comfortable margin. They have had hard going for a time, due to Allie McWilliams' absence from the game on account of injuries.

The "Greys" have now secured "Bill" Herron, the husky guard who formerly played with Camden, to fill the position made vacant by McWilliams, and are again on a winning streak.

Independents are playing much better ball than they were showing when Greystock easily defeated them in the early part of the season. With every man in good condition, and playing the game of which they are capable, the locals hope for a good showing against the leaders. McCord's injured ankle is fast returning to normal, and he expects to be in the game.

The net which has been placed to keep the ball off the stage has proved successful in keeping the ball in play, and makes the game much faster. At games when the attendance is large, chairs will be placed on the stage, and fans can see the game from there with no danger of being struck by the ball.

TRANSFER CHICAGO TO-DAY

Chicago, Jan. 20.—The formal transfer of the Chicago National League baseball club from the ownership of Charles P. Taft to Charles H. Weeghman was scheduled for to-day at noon.

Mr. Weeghman said the check for \$500,000 was ready for presentation to Charles Schmalstig, the representative of Mr. Taft, who arrived to-day. A meeting of the stockholders of the combined Chicago Federals and Chicago Nationals was held last night, at which Harry Ackerman, who holds some of the stock in the old Cubs, said he did not want to sell his stock, and that he would become a member of the new corporation.

F. T. PRICE GETS LIFE TERM

Minneapolis, Minn., Jan. 20.—Frederic T. Price, convicted last Saturday of murdering his third wife for her fortune, was sentenced to life imprisonment at hard labor by Judge Daniel Fish in District Court here yesterday.

Price threw his wife over the edge of a cliff and then crushed her skull with a rock.

WELLY'S CORNER

It looks like a fight to the finish for the Willard-Moran battle. New York appears to have the call, but the promoters in that city are up against a tough proposition in the western bidders. There is a desire to get the price big enough to pull off a real match instead of a ten-round bout.

The officials of the National League have up to date played fair with the Federals. The James A. Gilmore followers, on the other hand, appear to be placing snags in the way of peace at frequent intervals. It is understood that every detail in the agreement must be made final this week. The public is not responsible for the losses sustained by the Feds and should not be made to pay the shortages.

The list of Federal League players who are now free agents includes a number of promising youngsters. There will be some lively bidding for the boys who can make good. If Harrisburg is fortunate enough to get a New York State League franchise, some of the comers will be seen here.

Much importance is attached to the result of to-night's game at York. Central High meets the York High tossers in the interscholastic series. A Harrisburg victory gives the Central five a good chance for championship honors. There are still a number of games to play and Central will have an advantage in home games. Every member of the Central team will be in the line-up to-night at York, including Rote.

Harrisburg will be represented to-night at Mount Union by the girls' team of the Hassett Club. They play the E. T. team at that place and will have a hard proposition. To-morrow the Hassett girls go to Tyrone. This aggregation of basketball tossers always makes good and two victories are expected.

PRINCETON TIES UP RACE

Special to the Telegraph. Princeton, N. J., Jan. 20.—Princeton tied Penn for first place in the Inter-collegiate League here last night by defeating Columbia in the first game between the two. The New Yorkers were dazzled by the close guarding and the spectacular work of the Tiger forwards and they played a loose game, the final score standing at 24 to 12.

Haas, of Princeton, was the bright star of the game, scoring sixteen of the twenty-four points made by his team. Of eleven free tries he scored eight, and he was successful in four attempts from the field.

IRISH TEAM WINS OUT

The Irish team bowlers last night defeated the Barbers in the International League series; scores, 1427 to 1342. W. Nunemaker, of the winning team, was high scorer with 139 and 355.

The Maclay five last night lost to the Cameron quintet; score, 36 to 20. Lingle played a good game for Cameron and Smith and Coslow were Macalay stars.

The Braves had arranged for Spring headquarters at Miami, Fla., but Stallings desired to return to his old camp at Macon, Ga. The New York club which selected the latter city refused to make the change, Stallings said.
