

CENTRAL HIGH FIVE MEET LEBANON TONIGHT--CO-EDS PLAY TYRONE HIGH GIRLS

CENTRAL TEAMS OFFER TWO GAMES

Varsity Meets Lebanon High; Girls Will Line Up Against Tyrone Co-Eds

An important basketball game on to-night's schedule will be between Central High and Lebanon High on Chestnut Street Auditorium floor. An added feature will be a contest between the Central girls' five and the Tyrone High School girls. The co-eds will start the contests and will play between halves of the big battle. Dancing will follow.

Both local teams will offer the regular line-ups. On the Central varsity squad will be Thomas, Rote, Gregory, Wallower, Houtz, Frank Hilton and Rapp. The Lebanon tossers will include Light, Hynson, Moore, Strickler, Clymer, Miller, Harpel, Wolfe and Schreiber.

The Central girls' team will include Miss Smith, Miss Malone, Miss M. Rote, Miss H. Rote and Miss Richards. Tyrone High School girls have been winning many laurels this season and play a remarkable game. Much interest is manifested in to-night's contest.

Telegraph Tossers Play Carlisle A. C. Five Tonight

The Harrisburg Telegraph basketball team will to-night play the Carlisle Industrial quintet. The game will be a testimonial to the Telegraph family and members of the Interoffice Duckpin League for hearty support accorded the local tossers. The game starts at 8 o'clock and the line-up will be as follows:

TWO MILLION PAIRS OF HERMAN'S U. S. ARMY SHOES

Have been worn by U. S. Soldiers, Sailors, Marines and Militiamen.

Colonel Stephen C. Mills, in service in the Philippines, tramped 18 miles in a new pair the first day he ever wore Herman's U. S. Army Shoes, 15 miles the second day and long distances the next two days, through mud and water often waist deep, and over slippery, rocky hills, and his feet were neither rubbed, bruised nor abraded.

That was because U. S. Army Surgeons designed the lasts; uppers are of best calf skins; outsoles of Texas unscoured oak; insoles of superior quality leather, pliable, easy and durable; lining is specially tested drill; heels are solid whole oak lifts with hemlock top pieces; workmanship is best in the world.

HERMAN'S U. S. ARMY SHOES are built to keep the feet comfortable through the hardest service in all climates and all weathers.

MORE GOOD WORK BY LOCAL SHOTS

Final Event on Today's Program at Pinehurst; Newcomb Leads Amateurs

Harrisburg and West Fairview shooters will to-day finish in the big shoot at Pinehurst, N. C. Results yesterday brought additional honors to John G. Martin, H. B. Shoop and M. B. Stever.

Charles H. Newcomb, of Philadelphia, won the preliminary handicap. He shot against 120 competitors, and burdened with a handicap of 22 yards, the highest in the event, Newcomb scored 95 out of a possible 100 and finished four points ahead of the best of the other seven men shooting at 22 yards.

Incidentally, Newcomb scored unbroken runs of 57 and 64 during the day. C. D. Platt, of Bridgeton, N. J., handicapped at 21 yards, did 94 and tied at that figure with A. E. Ranney, New York, 29 yards; D. A. Ehrlich, Terre Haute, 21 yards; F. N. Lofland, Plymouth, Ohio, 18 yards; and S. F. Foster, Mason City, Ia., 18 yards. D. W. Baker, of Pittsburgh, 19 yards, scored 88.

HASSETT TEAMS WIN
The Hassetts basketball teams last night came out victorious. At Mount Union the girls' division five won from the B. T. School co-eds, score, 24 to 9. This game was a fast contest, with the local five doing remarkable shooting.

The Hassetts boys' division five in a practice game defeated Elizabethtown, score 63 to 24, and the Arrows won from the Globe Right Posture team, score 25 to 19.

Newcomer Stirs Wrestling World

JOE STECHER.

New York, Jan. 21. — The eyes of the wrestling world are now centered on Joe Stecher, the "Nebraska Farmer Lad," who has come east in an attempt to substantiate his claims to the catch-as-catch-can wrestling championship.

A match has already been arranged between Stecher and Wladek Zbyszko, the star of the International Wrestling Tournament now in progress here. Other matches are to be arranged later.

Although Stecher comes here in the wake of a great reputation, little first hand information is obtainable about him even from men who have opposed him on the canvass mat.

Tech High Tossers Meet Middletown Five Tonight

Greek will meet Greek this evening in the Tech gymnasium when the Middletown High and Tech tossers oppose each other. On the Middletown team at center will be Beck, a lanky freshman at that institution who will be pitted against the Maroon Beck. The lads are cousins and will have a battle of their own for individual honors.

In addition to this struggle for family honors, the rest of the teams will be fighting it out for team honors. The locals won in the lower end town just before Christmas by several points, and will attempt to repeat tonight. The teams will take the floor with these players:

York Wins Close Game From Central Tossers

York, Pa., Jan. 21.—York High five last night trimmed Central, score 30 to 28. It was the hardest battle the York tossers have had on their own floor this season. Breaks helped in the victory, as most of the time the Harrisburg contingent played the best game.

Honors were in favor of Central until near the close of the second half, when Greenawalt, who jumped center for York, took a brilliant spurt, and scored six points in succession, York taking the lead. This star scored 22 points for his team. Local stars were Wallower and Thomas. The line-up and summary follows:

Formal Transfer of Cubs; to Withdraw Court Suit

Chicago, Jan. 21. — Formal transfer of the Chicago National League Baseball Club from Charles P. Taft, of Cincinnati, to Charles H. Weeghman, of Chicago, was completed yesterday with the presentation of a certified check for \$500,000, the purchase price by Mr. Weeghman to Charles Schmalstig, personal representative of Mr. Taft.

The transfer was made in the presence of President Tener, of the National League; Harry Ackerland, a stockholder of the Chicago Nationals; William Walker and Adolph Schuettler, stockholders in the Chicago Federals; and Charles Thomas, last season's president of the Chicago Nationals.

With the transfer of Mr. Taft's stock to Mr. Weeghman the latter became the sixth man to control the corporation. Albert C. Spalding organized the club in 1876.

The transfer was one of the last acts designed to create baseball peace following the agreement reached recently at Cincinnati between the Federal League and organized baseball interests. Only the withdrawal of the injunction suit brought by the Federal League, pending before Federal District Judge K. M. Landis, remains to end the controversy.

TECH ATHLETICS ARE PROFITABLE

Turn Over Nice Cash Balance to General Fund; Football Pays Best

Football at the Technical High school metted the Athletic Association \$453.33 for the season of 1915. The money will be added to the school's general fund and will be held as a nucleus for the probable purchase of an athletic field at some future date.

The Thanksgiving game with Central gave to each school \$1,307.27, and was the big feature in the account audited by T. J. S. Kishpaugh, Ralph Evans and Professor E. S. Wolf. Other games that added to the school's treasury were the Greensburg and Steelton High games played on the island. All other teams that appeared in the schedule were played at a financial loss.

The entire receipts for the season show that guarantees given to the team when away, together with the athletic association fees, and receipts at the gate totalled over \$2,500, the largest sum in the school's history. Expenditures were also large.

Where Costs Increased

The team was better equipped than ever before, and much of this paraphernalia is still in good condition, so that next year's expenses along this line will be at a minimum. Increased cost of rental for the island, an increased cost of materials, and the salary of a trainer, the first in the school's history, helped to eat up much of what was a profit in other years.

The school's athletic association treasury is in excellent financial condition, and some of the funds will be used to support baseball and track which are always run at a loss because of the fact that no admission is charged to see either sport, because of their being played on the playgrounds at the island. Wrestling at basketball are self-supporting at Tech, and the moneys turned in from the football receipts is used in part to support track and baseball.

Joe Fogerty in Line-up of Greystock Leaguers

Harrisburg basketball patrons will see Joe Fogerty to-morrow night. He will be in the line-up of the Greystock team. Trenton released Fogerty on Wednesday.

The Harrisburg Independents are making every effort to be in the best of shape for the game to-morrow night. The locals remember the decisive defeat handed them by Greystock early in the season and are determined to redeem themselves for the showing in that game. At the present time the Harrisburg tossers are playing a more consistent game than on Greystock's first appearance here.

Preparations will be made Saturday to take care of a large crowd, for the Greystock team is popular with Harrisburg fans. One reason for this is that they play just as hard in their exhibition games as in their league games, and fans are always sure of seeing a first-class exhibition of the indoor game.

WELLY'S CORNER

This has been a busy week for local basketball tossers, but the best is yet to come. To-night the Central varsity five meet Lebanon High in the inter-scholastic series. The girls from Central play Tyrone's co-ed quintet. Carlisle Industrials will play the Telegraph on Cathedral hall floor, and Tech goes up against Middletown. Fans will have a hard time to choose in this list.

A system of graduate coaching in baseball has been inaugurated at the Naval Academy. Good results are expected because of this change. Lieutenant C. C. Gill has been selected. His only professional helper will be Walter S. Brodie.

It was some price that was paid for the Chicago club by Charles H. Weeghman. They say there is no money in

baseball. It is not likely that Weeghman is getting into the sport for fun. He is not that kind.

Percy D. Haughton is impressing Boston fans with the fact that he is to be boss. There will be discipline with the Harvard coach in charge. He is a strong advocate of obedience and will introduce a number of college ideas into his work with the Braves.

Howard Earle, the New York State League scout, has reached Harrisburg. He was busy to-day looking over the baseball situation here. If there is to be a baseball club for Harrisburg, Mr. Earle wants it understood that it is to be a strictly business enterprise. There will be no charitable contributions asked for. A company will be organized and capitalized and those who want to make money can buy stock.

Automatic Raking Machine For Lawns

Everything from small leaves to newspapers, may be picked up from the lawn rapidly by means of a self-cleaning lawn rake that has just been invented and patented, says the Popular Mechanics Magazine in an illustrated article. This machine looks much like a lawn mower. The teeth extend from the front to the rear and are mounted in a sloping position so that their curved forward ends touch the ground. As the material is picked up it is drawn backward along the teeth and deposited in a carrier at the rear by an endless belt which runs on rollers mounted at the front and rear of the machine. The rear roller, and through it the belt, is operated by a pinion worked by one of the wheels.

COMBINATION BOAT IS MADE FOR ICE AND WATER USE

In order to navigate Lake Pend Orielle during the winter months when its upper part is frozen and the southern half open, an Idaho boat builder has constructed a craft which is designed for both water and ice, says the Popular Mechanics in an illustrated article. It is driven by an aerial propeller and is capable of gliding rapidly over smooth ice, taking to open water at full speed and then running back onto the ice when making the return trip to the northern part of the lake. The boat is 14 ft. in length and approximately 4 ft. wide. Its bottom is shaped like an inverted V, quite similar to that of the average hydroplane, which allows it to ride high in the water. At its stern are two skatellike runners and at the bow a single one to which a control lever is attached for guiding the craft when it is used as an ice boat.
