Pottsville, Pa., Jan. 21.—The rush of traffic on the Reading Railway has become so great that yesterday it was announced that the position of assistant trainmaster at St. Clair, which had been abolished, had been re-established. DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold and curing it. It is inexpensive and entirely vegetable, therefore harmless.—Advertisement.
