

HARRISBURG SHOOTERS WIN CASH PRIZES AT PINEHURST---CENTRAL WINS AGAIN

WANT READING TO GET INTO GAME

Local Business Men Authorize Lew Ritter to Bid For Franchise

Howard Earle, who was here yesterday studying baseball conditions and to inquire if this city wanted a New York State League franchise, left for Reading early this morning. Last night Mr. Earle conferred with a number of Harrisburg businessmen at the Hotel Dauphin and was instructed to report this city as favorable for New York State League baseball.

Harrisburg's final decision depends on what Reading will do and whether a franchise will be offered on reasonable terms. Reading's trouble at present is lack of grounds. If the Al. Lawson option on Lauer's Park field, which expires on March 1, can be withdrawn, it is said, Reading will also bid for a franchise.

Mr. Earle said last night that there were three dead towns in the New York State League—Utica, Albany and Troy; that it was probable Troy would be looked after by a major league team. The others, he said, are not showing much activity for next season.

Lew Ritter was authorized to attend the meeting of the league at Hinghamton, N. Y., on January 21 and bid for a franchise. If he reports a favorable proposition, Harrisburg backers will organize a new association. A public meeting will be held to boost the game.

YANKS HAVE THREE FEDS

New York, Jan. 22.—The New York American League baseball club obtained three more Federal League players by purchase yesterday. The star of the trio is "Nick" Cullpo, formerly the leading pitcher of the Kansas City club, who ranked fourth in the Federal League twirling averages at the end of the 1915 season. The other two players are "Joe" Gedeon, who signed with the Newark Federals after the close of the last playing season, and the big league veteran, Herman (Germany) Schaefer.

WILLARD STARTS WORK

Kansas City, Mo., Jan. 22.—With the intention of concluding arrangements for a championship bout in the Spring, and perhaps another fight later in the summer, Jess Willard, heavy-weight champion, and "Tom" Jones, his manager, left here last night for Chicago, where they will meet "Jack" Curley.

"I'm ready to meet anybody they bring on," Willard asserted.

EX-HIGH GIRLS WIN

Ex-High School girls last night won at York, tied up with the Yorktown five; score, 3 to 3. It was decided to play off the tie later, as both teams had played hard and the players were in an exhausted condition. The York girls will come to Harrisburg later.

CHAMPION DUCKPIN BOWLERS

With this week's victories, the Mt. Pleasant duckpin team of the Inter-Office League clinched this year's championship. With three matches to play, this aggregation of bowlers cannot be ousted from first place.

The race has been close and exciting, and unusual interest was manifested. The majority of the contests were played Saturday afternoons on Holtzman's alleys. To date the Mt. Pleasant printers have won 24 games and lost 9. The nearest competitors are the Riots with 18 games won and 15 lost. The Telegraph five is fourth with 18 won and 17 lost.

The first printer champions will celebrate the victory in the near future with a banquet. On this team are two stars who have been factors in the championship race. Bretz and Nunemaker at intervals have held high game and match records. The members of the team as pictured above include:

Seated, left to right: W. McNeal, Neal Bretz, William Nunemaker, captain; standing, left to right, J. Kiernan, J. Nunemaker, Russell Welsh.

Telegraph Tossers Win Easy Victory; Outclass Carlisle

The Telegraph quintet, last night, on the Cathedral Hall floor, walked all over the Carlisle Industrial team, winning by a score of 86 to 17. The local tossers played so fast that Carlisle forgot how to play. The score shows every member of the Telegraph team doing special work.

The game was a complimentary contest and was attended by a large representation of the Telegraph family and friends, and members of the Inter-Office League. The Telegraph team is greatly indebted to the Rev. T. B. Johnson, and members of the Hassett Boys' Club, for the use of Cathedral Hall, and last night personally thanked the donors for the courtesy extended. The line-up and summary follows:

CASH PRIZES FOR LOCAL MARKSMEN

Record Shooters Include Martin, Shoop and Stewart; Ohio Wins Match

Shooters from Harrisburg and West Fairview who have been prominent in the big shoot at Pinehurst, N. C., will return home to-night. In the final events yesterday, John G. Martin and H. B. Shoop of the Harrisburg Sportsmen's association; and M. E. Stewart of West Fairview, boosted their averages and landed some of the cash prizes.

The mid-winter trapshooting handicap was won by F. G. Ramsey of Plymouth, Ohio, after tying with R. L. Spotts, of New York, at 95, both men being handicapped at 21 yards. In the shoot-off of the tie Mr. Ramsey won the championship by breaking 25 straight as against his opponent's 21.

The long four days' struggle for supremacy in the 600-target contest at 15 yards resulted in a triple tie at 578 between F. S. Wright, of Buffalo; J. R. Jahn, of Davenport, and W. H. Jones, of Macon.

Lively Shoot-off
A great assemblage gathered to watch the shooting off of the tie late in the afternoon. Twenty-five targets were thrown to start with, Jahn and Jones each breaking 24, while Wright, with 23, was eliminated. A second 25 resulted in scores of 23 each to the two survivors, the process being repeated with the third set of 25. The fourth frame of 25 brought victory to Mr. Jahn, who broke all 25, Mr. Jones scoring 24.

It is probable that this is the first time in the annals of American trapshooting that 100 targets have been required to decide a tie in any event approaching this contest. An important break broke every one of the 100 targets in yesterday's round of the 600 contest, and had an unbroken run of 146 to his credit at his first bird yesterday, the run extending over three days' shooting.

SUGARMAN PLAYS WITH GREYSTOCK

Will Be in Tonight's Game Against Local Independents; Ford Back

With the Greystock five of the Eastern League to-night's attraction at Chestnut Street Auditorium, local fans anticipate another fast game. The Harrisburg Independents have not been able to win from the Quakers, but made a hard fight. To-night's battle will start at 8:15.

McCord's ankle has answered to treatment, and he, together with the rest of the locals, will be in the best of condition for to-night's game. A victory over the league leaders will mean much to the locals.

Arrangements have been made to accommodate the largest crowd of the season at to-night's game. No seats will be reserved, and those who come early will get the best seats. The two teams will probably line up as follows:

Smith, president of the Richmond Exhibition Company, yesterday announced that the \$15,000 required to purchase "Jack" Dunn's interest in the Richmond franchise of the International League had been subscribed and the deal closed to keep the franchise from going to Baltimore.

TECH TOSSERS WIN AGAIN

Tech tossers last night defeated the Middletown High five, score 26 to 12. The game was full of rough-houses, the visitors receiving penalties. Tech players were also offside in their work at times. Killinger, Beck, Miller and Yoder were local stars, and Beck, Bowman and Conklin put up the best game for Middletown. Between the halves Tech Reserves played the Middletown Reserves and won, score 17 to 15.

Gannett Tells of State's Relation to Water Works

Among the interesting papers read at the twentieth annual meeting of the Pennsylvania Water Works Association at Atlantic City several weeks ago was one by Farley Gannett, the well-known consulting engineer of this city. The subject of Mr. Gannett's paper was "The Manner and Extent to Which Water Companies are Subject to State Departments and Commissions." In this paper Mr. Gannett thoroughly discussed the whole matter and inasmuch as it is now published in pamphlet form it is going to be a valuable reference work on many a table. The paper gives special attention to the sources of water supply on State lands and dwells upon the jurisdiction which the Commonwealth holds over these properties.

Another pamphlet which has just been issued is the fifth annual report of the State Bureau of Standards. James Sweeney is chief of this bureau and the report embraces the several acts of assembly relating to the bureau and the regulations promulgated under these laws. This bureau has done a great work in ridding the Commonwealth of thousands of fraudulent weights and measures and the inspections which are constantly going forward will still further benefit the buyer and seller. Much of the work of the inspectors in the last two years has been the checking and testing of package goods found on the shelves of merchants for the purpose of enforcing that provision of the law requiring the marking of the net quantity of the contents on packages. More than 200 prosecutions were brought during the last year and conviction was secured in every case.

Allies and Neutrals Are Denied at White House

Washington, Jan. 22.—Diplomats representing the entente allies and twenty-eight neutral nations gathered at the White House last night for the first of two formal dinners arranged by the President and Mrs. Wilson in honor of members of the Diplomatic Corps.

The second dinner, to be given next Tuesday night, will be attended by the Ambassador of Germany, the Charges d' Affairs of Austria-Hungary and Turkey and the Minister of Bulgaria, and the same neutral diplomats present last night.

WELLY'S CORNER

If fans in Harrisburg want New York State League baseball, all they have to do is to keep on boosting Howard Earle, the league representative, and five, was surprised to find enthusiasm strong in this city about organized ball. Before leaving town to-day Mr. Earle said, "A city like this should not be without league baseball."

Many inquiries have been made as to the class of baseball offered by the New York State League. There need be no worry along this line. The game offered by the Farrell organization this season will be just as fast, if not faster, than that of the International League last year. This is made possible by the large number of players on the market.

The sale of baseball books will not be featured as the one important part of bringing a New York State League team to Harrisburg. The new Association is to be a stock corporation. Those who put up the cash will do so with the understanding that they are in the business to win or lose. According to present conditions there is no chance to lose.

Athletic Association in Lykens High School

Special to the Telegraph
Lykens, Pa., Jan. 22.—Students of the Lykens High school have formed an athletic association and will endeavor to raise the standard of the school by having teams in every department of sport to represent them on the athletic field. They have elected the following officers for baseball: Harry Hawk, '76, manager, and Fred Barrett, '17, assistant manager. The material for tennis is very promising. Ralph Reese, '16, was elected manager, and the players are: William Hawk, Fred Barrett, Walter Hoffman and James Rettinger. In a few days the boys will have the use of a cage

Last night's basketball game at Tech High school was marked with rough-house work. One local player was given a knockout blow by an opposing player. The aggressor was removed from the game. He should be given a further punishment. Players of that caliber have no right in a scholastic contest.

Harrisburg and West Fairview shooters, by their good work at Pinehurst, N. C., gave Harrisburg a wide advertisement. There were 200 cash prizes from all over the United States. The majority of them will go home and talk for sometime about local shots.

STEELTON LOSES GAME

Steeltown High last night lost to Reading tossers; score, 45 to 23. It was a Central Pennsylvania Scholastic League game and the victory puts Reading up in the race. Snyder, of Reading, and Wren, of Steeltown, were stars.

Special to the Telegraph
Anville, Pa., Jan. 22.—Lebanon Valley's basketball team defeated the Villanova quintet last night by the score of 60 to 35. Apples Better Than Medicine

Apples are much better than medicine. An apple is the best little "doctor" you can get and the bills will be smaller.

The old maxim still holds "An apple a day keeps the doctor away."

As a race we have never had enough fruit. Any doctor will tell you that there are a hundred diseases that would disappear if we would adopt a fruit diet, say for one meal a day.

Speaking about apples it will be well to remember that there is as much difference in apples as there is in horses.

Staymen Winesap Apples are so different from ordinary apples. They are very large in size and very pleasant to the taste. Every apple a perfect specimen — no "bad" places to cut out. They are clean all the way through.

Staymen Winesap Apples are for sale at all first class Grocers. Do not accept others.

WEDDED LIKE PRESIDENT

MRS. CLARENCE J. McREAVY

It has just become known that the same time President Wilson and Mrs. Galt were married in Washington, Ensign Clarence J. There was love at first sight several weeks ago when the young woman went aboard the vessel.
