Rousing Meeting at Altoona Feb. 16; Secretary McColgin Making Arrangements

The Harrisburg Chamber of Commerce trade excursion party is assured a hearty welcome and a rousing evening get-together meeting in Altoona, where the first night of the trip will be spent, February 16.

To Show 'Em a Real Bunch Last year, the Pittsburgh trade excursion visited Altoona; but it did not have a band and this year, Harrisburg will give Altoona a new impression of what can be done in the way of trade excursions.

Through the co-operation of the Altoona hotelmen and Chamber of Commerce there, every member of the party will be given good hotel accommodations over night. Dinner and breakfast will be served at the Logan Hotel.

Saturday afternoon, Secretary McColgin visited Huntingdon and Lewisburg and made arrangements for the trade excursion visits to those cities.

Secretary Clark of the Huntingdon Chamber of Commerce stated nothing would be left undone to make the visit of the Harrisburgers an event.

Clean Streets Other Places The borough of Lewisburg will have the brick paved streets swept and flushed on February 17, the day the visit makes Lewisburg proud of its large mileage of brick paved streets and desires the Harrisburg people to see and appreciate its improvements.

Officers of the Harrisburg Chamber plan to leave nothing in regard to trade excursion stops or the William Penn Highway meeting to chance.

Widening of 'The Narrows' Absolutely Necessary In the development of the plans for the William Penn Highway across the State, touching the most populous cities and towns, one of the most important matters under consideration is the necessary provision for a wider roadway from Clark's Ferry to Dauphin.
