Colonial Club Events Announced by Committee

The entertainment committee of the Colonial Country Club announces the following events of interest to all members:

The Loveliest Curly Hair—So Easy to Have!

Why make your hair dry, brittle and dead looking with the heated waving tongs, when the simple sliemine method will produce a curliness far more natural in appearance, and at the same time preserve the luster and beauty of your tresses? Liquid sliemine is so agreeable to use, being neither sticky nor greasy, and the over-night transformation is so pleasing, the first trial will make it your firm friend.

Today And A Generation Hence

The flight of time makes us think of the future. The baby of today reflects what greatness may be acquired when he grows up. And any influence that brings relief to the expectant mother is the first and greatest of obligations. There is a splendid remedy known as "Mother's Friend" that has been a safeguard, a helpful daily influence, to a host of women. Applied externally to the muscles they become pliant, they stretch without undue pain, there is an absence of distress, the nerves are soothed by taking away the burden of leaving all to just natural conditions.

GO TO THE RESCUE

Don't Wait 'Till It's Too Late—Follow the Example of a Harrisburg Citizen
Rescue the aching back.
If it keeps on aching, trouble may come.
Often it indicates kidney weakness.
If you neglect the kidneys' warning, Look out for urinary disorders.
This Harrisburg citizen will show you how to go to the rescue.

Mrs. Thomas Parker, 1421 Swatara street, Harrisburg, says: "At times my back pained me so that I could hardly move. After taking one box of Doan's Kidney Pills, I was relieved of the pain in my kidneys. When I have had return attacks, a few boxes of Doan's Kidney Pills have always given me quick relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Parker had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertisement.

DON'T SUFFER—LAUGH AT STOMACH MISERY

MI-O-NA IS GUARANTEED TO QUICKLY RELIEVE HEARTBURN, GAS, SOURNESS AND ALL INDIGESTION PAINS

Among the hundreds of remedies in every well stocked drug store, there are few that the druggist is able to sell on a guarantee to refund the money if they do not cure.

MI-O-NA, the famous dyspepsia remedy, however, has helped so many stomach sufferers that every druggist who sells it is able to say, "If this remedy does not relieve you, come back to my store and I will cheerfully return your money."

Anyone who has dyspepsia, indigestion, or suffers from heartburn, belching of gas, sourness, sick headaches and other stomach ailments should take advantage of this chance to be made well without any risk of spending their money to no purpose. MI-O-NA will relieve you, will regulate the digestion, will enable you to eat what you want. If it does not do all this it will not cost you a cent.

Many druggists who have sold hundreds of boxes of MI-O-NA say they have yet to receive the first complaint from any customer. Such a record is simply marvelous and speaks volumes for the merit of the remedy.

It is easy enough to fill a column with the symptoms afflicting those who have dyspepsia, but there is no need of describing their condition. What they want is relief and they can almost certainly get it in MI-O-NA. Do not suffer a day longer with disordered digestion. If MI-O-NA relieves you it costs you 50 cents a box, if it does not, the druggist will return your money. Sold by H. C. Kennedy and other leading dealers. Advertisement.

HOW TO BE SLIM

If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your system, or think you must always be laughed at on account of your fat, but go to any good druggist, and get a box of all of Koren capsules, take one after each meal and one before retiring at night.

Weigh yourself once a week and note a pleasant and reliable method this is for removing superfluous fat from any part of the body.

It costs little, is absolutely harmless and I am sure a week's trial will convince anyone that it is unnecessary to be burdened with even a single pound of unsightly fat.
